Planning Director Resigns; Future Of Post In Doubt

By Susan Rand

Because his satisfaction with serving the public has started to ebb, Jonathan Gilmore, Andover's director of Community Development and Planning, has resigned his post effective Friday, Aug. 3.

A variety of personal and professional reasons top Gilmore's list of reasons

to resign, he told THE TOWNSMAN on Tuesday. He cited his desire to be a better parent and husband, something he couldn't do when he "brought the job home" at night, as contributing to his decision. He informed Town Manager Kenneth Mahoney of his decision on Monday.

Gilmore said he doesn't know who will take his place overseeing Andover's planning, zoning and conservation boards as well as the health and building departments, in total, a compliment of 21 professional and clerical employees. And Mahoney said he wasn't sure how or if he will fill Gilmore's position, adding that it would be late in the year before he made that decision.

the public schools, which he praised.

Gilmore said he had consciously tried to avoid the "superstar" type of management of his department, not trying to make newspaper headlines each week. Instead, he said he tried to foster cooperation throughout the departments while serving as a "overseer" of the planning offices.

"I've arrived at conclusions not from fear and intimidation. I feel progress is best made incrementally without a lot of fanfare and flourish," said Gilmore.

He said he was pleased with the relationships his office has with the conservation, zoning and planning boards where, he said, the board members are extraordinarily busy and the potential for burnout has been of major concern to him.

Hajj Is Named To Board

After losing a seat on the Andover Housing Authority this March by 151 votes, Ronald Hajj, 22 Enmore St., has been appointed to fill the vacancy left by the death of Thomas P. Eldred.

Hajj, the only person to apply for the board opening, received 233 votes for the seat won by Eileen M. Connelly, who was on hand to congratulate him at the Selectman's meeting Monday night where he was appointed.

A contracting engineer, Hajj said he has been looking forward to becoming involved in town affairs, adding that his expertise as an engineer will come in handy on the board. Hajj's appointment will expire this spring even though Eldred's term runs until 1986. The seat will be filled permanently after next spring's election.

Hajj, a lifelong resident of Andover, joins elected board members Connolly, Mary Jane Powell, Richard Savrann, and Francis McNulty, who was appointed by the state Commissioner of the Department of Community Affairs.

The Housing Authority oversees the town's 216 elderly housing units as well as 56 family units, 49 federally-subsidized housing units, and Fidelity House.

Jonathan Gilmore

Three years ago Gilmore came to Andover from the Southern Rockingham Regional Planning Commission in New Hampshire, a regional planning board similar to the Merrimack Valley Planning Commission. He isn't sure what he will do after August 3, he said, adding that he wanted to take time to define his options.

"I need to ask myself what I want to spend the rest of my life doing," said Gilmore. "Public service at the municipal level is a whole lot different than when I started 15 years ago. I have never thought of myself doing anything else. Maybe I've lost some of the spark I had early on. I'll just have to take some time and mull it over."

Gilmore, who lives in Andover, said his next job probably won't be in the public sector. And he said he plans to stay in town where his daughter is in

Second Polling Place Set

In an effort to make voting easier during this fall's presidential election, where town officials are expecting up to a 90 percent turnout, an additional polling place has been designated by the Board of Selectmen, on advice of Town Clerk Elden R. Salter.

Precincts one, three and eight will vote at the Senior Citizen's Center, Whittier Street, at the Tuesday, Nov. 6, election. Each registered voter will be notified by mail of his or her voting place, including voters in precincts two, four, five, six and seven, who will vote at the Dunn Gymnasium at the Andover High School. Salter told the board he would send postcards to all voters to eliminate any confusion.

Salter's proposal set up the special voting location for only the presidential election and specified that voting would return to the high school gym after the November election. But Selectman Gerald Silverman changed Salter's request in his motion to approve the plan by leaving open the possibility that precincts one, three and eight will always vote at the Senior Center.

Andover Boy Becomes Citizen

The adopted son of a University of Lowell professor was naturalized as an American citizen in a ceremony held recently at the Lowell courthouse.

Two-year-old Stanley J. (Stas) Cannon, son of Raymond and Joan Cannon of 54 Abbot St., Andover, became an American citizen at a special ceremony attended by local dignitaries and representatives of the university. Stas' mother, Joan, is assistant professor of psychology in the College of Liberal Arts.

After bringing him to Lowell in December, Stas' parents legalized his adoption in accordance with U.S. laws and applied for citizenship. Reflecting on the naturalization ceremony, Joan said, "It was a meaningful and moving time for us and provided a pleasant ending to the adoption process."

Stas was the youngest person to be granted citizenship, but his age did not stop him from actively participating. Employing the ingenu-

ity of her profession and recalling a hand-raising game that Stas and his six year old sister Catherine enjoy, Joan cued him at the right moment and as his grandparents, mom, dad and sister looked on, the youngster raised his hand along with the other participants to take the oath of citizenship.

Special Town Meeting On Agenda

The Board of Selectmen will not meet again until Monday, Aug. 13, at 7:30 p.m., in the selectmen's meeting room, second floor, in the

Town Hall, Bartlet Street.

On the agenda will be discussion on the Special Town Meeting, set for Monday, Nov. 19.

New Member Named To Zoning Board

A new member joins three reappointed members of the Zoning Board of Appeals.

Lorene A. Comeau, 60 Argilla Road, was appointed an associate member of the board. Comeau will replace Atty. Arthur Sobil who resigned due to health problems.

Comeau will join Jane Griswold, Ernest Hall and associate member Elaine Katz, who were reappointed to their positions by the selectmen on Monday night.

Also on the board is Wesley Whitney, Roger Collins, Carol McDonough, Maureen Franco and David Gravalles.

Officials Remove Ruined Mail Box

Andover residents have one less place to mail their letters now that a mailbox at the corner of School and Essex Streets has been taken away by postal officials because the mail was the target of vandals.

Much of the mail in the School and Essex Street box was ruined when fire crackers were tossed into the box on two separate occasions,

said postmaster Antonio Mendoza, who told THE TOWNSMAN that he has removed the box from that site.

The postmaster said he thought other boxes in the vicinity would compensate for the loss of that box. He added that he isn't sure if he will put the box back at the railroad station corner.

Extended Care Care Registering

Parents of Andover's public school kindergarten and readiness students may sign their youngsters up for the Department of Community Services-sponsored extended day care program next Thursday, July 26, at 7 p.m., at the Senior Citizen's Center, Whittier Street.

The program, the costs of which

are available by calling the Department of Community Services office, was designed for children aged three to seven and will be located in the basement of the Shawsheen School Early Childhood Center. Day care will be available from 7:15 a.m. to 5:45 p.m.

Selectmen Approve Block Dance

Cross Street residents are planning a block party on Saturday, August 18, from 12 noon, until dusk.

The neighbors were granted permission by the Board of Selectmen

to block off Cross Street, from the corner of Monahan Lane to 88 Cross Street, subject to approval by police officials. The party will be held the following day if it rains on Saturday.

On Dean's List

Two local students have been named to the Dean's List at Rensselaer Polytechnic Institute, Troy, N.Y. for the spring semester. Both mem-

bered Peter E. Durand and Peter E. Durand, son of James Phillips Academy and Maria Durham, 6 graduate.

bers of the junior class, they are Nancy E. Wolk, daughter of Mr. and Mrs. Herbert Wolk, 7 Candlewood Way, an Andover High school graduate.

Iron Works

The Saugus Iron Works National Historic Site, 244 Central St., Saugus, is administered by the National Park Service and the Department of Interior. The site is an authentic reconstruction of a 17th century integrated iron works, consisting of a blast furnace, forge and a rolling and slitting mill powered by seven separate water wheels. The water wheels are fully operational and function hourly on the hour.

There is a 17th century house restored by Wallace Nutting, historian, antiquarian and photographer, with three period rooms on exhibit and a herb garden adjacent to the house.

The museum contains excavated items

representing the iron production process, puritan lifestyles and Indian culture.

A blacksmith in period costume can be found working in the

blacksmith's forge daily.

The site is open daily from 9 a.m. to 5 p.m. Tours are free and given hourly through October 31.

Local Scouts To Attend Conference

Close to 100 girls and adults from Spar and Spindle Girl Scout council will travel to Marymount College in Tarrytown, N.Y., this month to join more than 600 girls and adults from 104 countries at the World Association of Girl Guides and Girl Scouts' 25th World Conference. The Spar and Spindle contingent will present, with the Girl Scouts of Rhode Island, an Olympic-type opening ceremony with chorus, colorful Girl Scout national and historical flags and a pageant in which close to 200 girls dressed in regional costumes and carrying state flags will form a football-field sized map of the U.S. and sing a medley of regional songs.

The conference is sponsored by Girl Scouts of the U.S.A. and is partially funded through the Juliette Low World Friendship Fund. Spar and Spindle Girl Scout Council is financing the costs of the Massachusetts contingent. Spar and Spindle Girl Scout Council is a United Way agency serving close to 13,000 girls in 54 communities and Fort Devens, throughout the North Shore, Cape Ann and Merrimack Valley.

Extended Day Program Offered

The Department of Community Services will offer an Extended Day Program at Shawsheen School for children enrolled in that school for September 1984. Registration will be held Thursday, July 26, at 7 p.m. in the senior center. Applications will only be accepted for those registering for three or more days per week with priority given to those registering for full-time care (five days). Student Awarded Scholarship

Jeffrey Shupe, 76 Salem St., Andover, was awarded a \$300 scholarship to attend Massachusetts Business Week 1984 August 5-10 at Bentley College in Waltham. He is among the 150 high school students, selected from 320 applicants, who will receive these awards.

Business Week 1984 is a youth economic education program sponsored by The Small Business Foundation of America, Inc. since 1981.

The foundation, headquartered in Boston, is a nonprofit organization dedicated to promoting the growth of small and entrepreneurial business through research, education and public awareness programs.

Students attending Business Week will learn about the free enterprise system in workshops led by business executives. They will experience what it's like to run their own businesses by forming imaginary companies. They will play a computer simulation game which gives them the chance to make management decisions about their businesses.

Scholarships for the program are provided by businesses, associations and individuals. To apply, students entering their junior or senior year in the fall must write an essay on why they want to attend Business Week.

The foundation welcomes contributions in time or money from organizations and individuals. Send donations to The Small Business Foundation of America, Inc., 84 State St., Boston, Mass. 02109. Att: Mary-Ann Coppa, Director of Education.

Carillon Concerts Continue

The Eighth Annual Series of Summer Carillon Recitals at Memorial Tower, Phillips Academy, Andover, will continue with a recital on Tuesday, July 24, at 7 p.m. The recitalist will be Aime Lombaert, adjunct-carillonneur of Brugge, Belgium. The concert will include original music for carillon composed by Lom-

baert, transcriptions of American popular songs as well as music of Mozart, Schubert and Gluck, arrangements of Flemish folksongs and music of Stephen Foster. He will also improvise on a familiar melody.

Memorial Tower is located at the corner of Route 28 and Salem Street in Andover. Recital programs and carillon brochures will be available in the stand near the tower door. Bring lawn chairs, blankets, picnic suppers. In case of rain, listen from cars which may be parked along both sides of Salem Street or in the gym parking lots. The best listening places are listed on the back of the printed program.

Appointed At Brooks

Linda Tober, 18-year resident of Andover, joined the Brooks School staff on July 1 as assistant director of development and alumni affairs.

A graduate of Boston University and Continuum Business School, Tober has been a member of the professional development staff of the New England Aquarium for two years. Prior to that she served as president of the Greater Lawrence Chapter of Hadassah and vice president of Temple Emanuel in Andover. She is a member of the Massachusetts Chapter of Fund Raising Executives, the Planned Giving Group of New England and Boston Women in Development.

Tober is married to Dr. Edward Tober and has two children, Benjamin, 20, and Jennifer, 18.

On Dean's List

Jay Y. Chiu, 4 Waverley Drive, was named to the dean's list for the spring semester at Bucknell University, Lewisburg, Penn. The Andover resident had to receive at least a 3.5 grade point average to be named to the honor list.

Tim Moran and Tony Vacca

Series Offers World Music

The Department of Community Services Summer Concert Series will feature World Music Duets on Wednesday, July 25, at 6:30 p.m. behind the Doherty Junior High School.

Tony Vacca and Tim Moran create a contemporary, whole earth expression of music, blending a knowledge of diverse cultures and traditions into a unique and compelling world language. Their compositions include many eloquent duets for flute and balafon (African xylophone) while others use various Asian and African hand whistles and bells.

World Music Duets combine the spirit of the African street musician, the formal precision of classical Indian and European forms and the animated soul of urban American traditions into a graceful and exciting sound. Years of sensitive and dedicated collaboration have produced a music filled with warmth, humor, mystery and surprise, uplifting to the spirit and affirming the essential unity of all peoples.

Moran has studied and performed music for more than 15 years. He began with private lessons on alto saxophone at age 12 and soon included flute and clarinet in his studies. He

gained valuable experience in jazz phrasing and improvisation with local big bands. Moran earned a bachelor's degree in performance at the University of Massachusetts. An interest in World Music led to the study of bamboo flute and tabla with the Indian master Sushil Murkherjee. He has performed in Japan and Germany.

The percussion work of Vacca combines African-American and World Music traditions with the ancient concepts of drum songs and spontaneous composition.

In 1972-73 he travelled to West Africa, studying balafon and percussion composition with musicians from Senegal, Mali, Ivory Coast and Ghana. "My experiences there demonstrated the link between the music of the contemporary western drum set and the African percussion ensembles and affirmed the ancient, eternal power of the drums' human music."

The World Music Duets performance has been funded in part by The Hampshire Press and Raytheon. In the event of rain, the performance will be held Thursday, July 26.

The state flower of Georgia is the Cherokee Rose.

IT'S TIME TO PUT YOUR 2¢ WORTH INTO STATE GOVERNMENT.

The power in Massachusetts state government rests with a handful of people.

It's that way because the State House is filled with politicians who are afraid to question the House Leadership, and who give in to powerful special interest groups.

And that's why we pay outrageous taxes and live in fear because our laws aren't tough enough to keep dangerous criminals off the streets.

It's time we elected a state representative who isn't afraid to take on the Leadership when they're wrong, and to stand up for the wishes of the people she serves.

That person is Susan Poore. She's proven it in the years she's been a town selectman and a member of the school committee.

It's time to put your 2¢ worth in state government — by voting for Susan Poore for state representative.

Adopted Little Sister Treated To Sights, Andover Hospitality

By Susan Rand

The youth group at St. Robert Bellarmine Church has gained an adopted little sister of sorts in Angela Olcott, a 15-year-old visitor from West Virginia who has spent the last week in Andover seeing the sights and renewing a friendship that began in her small Appalachian home town of East Bank.

Ten high school seniors and college students from the church youth group journeyed to Appalachia in June to lend a hand at a mission there that is run by the Catholic church. Each year a group from the Haggetts Pond Road church visits the mission and its director Sister Elizabeth Hillmann, a nun who was once the religious education coordinator at St. Robert's.

This time the St. Robert's youngsters met Angela and in a short time such a closeness developed between the West Virginia girl and the Andover youngsters that they almost brought Angela back to Andover in the van they rented to make the trip.

A map on the wall of Angela's West Virginia home has pins stuck in the places she hopes someday to visit. One marker is pinned on Boston. That planted the seed in the minds of the St. Robert's visitors who, upon returning to Andover wasted no time planning a way for Angela, who has been diagnosed as having cystic fibrosis, to visit their home.

As Diane McSweeney explained, Tim Moynihan, one of the youth group members from Andover, made an airplane reservation for Angela before the group told McSweeney, the youth group's advisor, of their plan to bring Angela to Andover.

"That's how badly they wanted to bring her here," said McSweeney with a laugh. She allowed them to use money from their youth fund that they will replace with the proceeds from a dance set for 7:30 p.m., tomorrow evening at the church.

Angela got the grand tour of Andover, Boston and other local tourist spots during her week here. She saw Quincy Market, the John Hancock building, the New England Aquarium, went to the beach, rode for the first time on a subway and braved the roller coaster at Canobie Lake Park, an experience which she said "freaked her out."

The pretty, petite girl said, in an interview on Monday morning that she didn't want to go back to West Virginia, where she has lived for a year and a half. Her gentle accent, that is a mixture of all the states she has called home, including West Virginia, Washington, D.C., Pennsylvania and Tennessee, is all that makes Angela different from her Andover friends.

And while Angela has gained an appreciation for how life for her Andover friends differs from her days in West Virginia, the youth group members who made the trip south also have an

understanding of life in East Bank, Appalachia.

While there, the Andover group helped with the running of a local bible school, worked in the residents' gardens and helped with much-needed maintenance of the homes, many of which are tar paper shacks with dirt floors and run-down trailers. As Angela explained, there are homes in East Bank that would fit right in in Andover and next door might be a family where the adults are unemployed and struggling through every day. Neither understands the way their neighbor lives and they do not go out of their way to help one another, she said. Large companies that run the coal mines, where the men work when there is work, bleed a mine dry and then leave town, said Angela, adding that what she has seen in Massachusetts is in stark contrast to West Virginia.

"You don't see sky scrapers in West Virginia," she said.

For a youngster of 15, Angela is very sophisticated about the people she encounters. She is luckier than many in East Bank. Angela lives with her mother and three brothers and sisters in a large 12-room home that was used

by the underground railroad to help slaves escape to the north. Her entire family, which consists of an astounding 32 brothers and sisters, has never been all together at one time she said. She is used to the surprised reaction she often receives when she says she has 32 siblings, so Angela rattles off the categories they fall into, there are, she says, 19 foster children, two who are adopted, six step-brothers and sisters and five "natural" brothers and sisters. The oldest child is only seven years younger than her mother, said Angela.

Angela attends a Catholic high school 20 miles away in a land where Catholics are not very popular. She has told her Andover friends stories of the many Evangelical and mystic religions that abound in her small town, in the heart of the bible-belt. Angela will be a ninth grader at Charleston Catholic High School this fall. And there aren't many Republicans in East Bank either, said Angela. But she falls into that minority group too, saying she and her mother are among the eight persons in East Bank who claim to be Republicans.

Making the trip to Appalachia were Andover residents Tim Moynihan, Lil-

ly Hines, Lisa Dorsey, Ann Marie Tanin and Sharon French, also Bill Glencross, Matt Sheehan, Joe Reis, Mike Murphy and Steven Murphy of Tewksbury. Paul Fazio, of North Reading and Tewksbury resident Sal Fazio served with Father Bill Mullin of St. Robert's as chaperones on the trip.

Fr. Mullin, who went to West Virginia with the church members for the first time this June, said that he was surprised at just how poor the quality of life is in West Virginia.

"The coal mining industry has done such terrible things, the people have all lost their jobs and it was very hard to see the poverty," he explained.

"The kids were very open and mixed well with the people. They are a friendly bunch and Angela took a liking to them right away."

The knowledge of Angela's disease touched the Andover group very deeply, said Fr. Mullin. And although she left town on Tuesday the young East Bank resident said she will try and convince her mother to let to come to Boston for the medical tests she needs this fall so she can be with her friends from St. Robert's.

Summer Courses Available

There are still openings in the North Andover summer school and summer camps, run by the town's public school department.

The summer camp is open to children from kindergarten age to grade five. Three different time schedules are offered in the program which includes craft lessons, weekly field trips and swimming lessons. Summer camp is scheduled at the Kittredge and North Andover Middle Schools.

There are also openings in the two summer school sessions that run from Monday, July 23 through Friday, August 3, and from Monday, August 6 through Friday, August 17, also at the Kittredge and Middle schools.

Included in the summer school offerings are classes in art, gymnastics, computers, macrame, sports clubs, three levels of tennis lessons, stencilling, cooking and sewing. Summer school classes are for students from kindergarten through grade eight.

To sign up for camp or classes or for information on either program contact director Michelle Fitzpatrick or Cari Marchese at the Middle School, from 8 a.m. to 12 noon, Monday through Friday.

Road Race Scheduled

The American Cancer Society will be raising money to fight cancer this fall with their sixth annual 6.2 road race set for Sunday, November 11.

The Greater Lawrence Road Race Committee of the society was granted permission to start the "Race Against Cancer" at Phillips Academy by the Board of Selectmen at their Monday night meeting. The race will begin at 1 p.m., subject to approval by the police department.

Presented Awards At U Lowell

Three area residents were presented awards for academic achievement at the University of Lowell.

David Lambright, Wabanaki Way, Andover, was one of four seniors in the College of Pure and Applied Sciences to be presented a Dean's Award. A senior, he majored in Chemistry.

Sheila Murphy, 15 Blueberry Hill, Andover was one of 14 seniors in the College of Health Professions to be presented a departmental award. Majoring in nursing, she was the recipient of the Marianne Alexander and Kathryn Bernard Memorial Award.

Also receiving a departmental award was Roy W. Foster, 25 Turtle Lane, North Andover, a senior in the College of Engineering. Majoring in electrical engineering, he was awarded the Eta Kappa Nu award for distinguished service and leadership to EKN.

A committee consisting of the college's dean and faculty advisors selects the students whose academic performance has been outstanding.

Activities At The Playgrounds

Ballardvale

The past week at Ballardvale playground included a jump rope contest which Cathy Giulaini won handily. Chris Hillegrass and Adam Heller dominated a water balloon fight. Lisa Hages was very creative making key chains while Stacy Labbarre demonstrated quite a knack a drawing self-portraits. Reggie Hayes and Matt Davis made a great team at Jokari against the rest of the playground. South School was invited for a cookout on Friday. Afterwards the kids challenged the staff to bombardment; needless to say the kids beat the staff of Ballardvale and South playgrounds badly.

Bancroft

Although the weather created problems, everyone managed to have a good time at Bancroft. Pomp's Pond, scheduled for Friday, was cancelled and moved to Monday. The trip, though fun, included many trials and tribulations. Danny Hansbury managed to get the accident award of the week. Amy Rolfs and Paul Alard won the prizes for trash collecting last week. This week Bobby Dalton won a Klondike bar for his great trash collection. Jenn and Sharon took everyone rollerskating on Tuesday. Tara and Mike Smith, Tammy and Ricky Saggese and Shariyn and Sharam Sherkat enjoyed themselves at Roll-On-America. This summer's song seems to be "No Parking on the Dance Floor" because Bancroft went wild when it was played. Key chains, paintings and puppets were made by all. Mike "nurd nose" Dalton made death defying bike jumps on Thursday to the amazement of all.

Doherty

This past week at Doherty playground proved to be one of fun and excitement. Monday started off with an adventure as the search was on for candy in Barnyard Holler. The scouts who participated were Lisa Allen, Jennifer Butt, Janathan Butt, Susan Cookson, Dana Difiore, Patrick Hess, Ken Lynch, Leah Mason, Ryan Morgan, Katie Merrill, Carli O'Brien, Cori O'Brien, Christina Tsepas, Laura Williams and Danny Wrigley. Tuesday the excitement continued with rollerskating at Roll-On-America. Some were Matthew Gendron, Patrick Hess, Jason Twombly, Amy Morris, Erin McCarthy, Sarah McCarthy and Natasha Velasquez. Wednesday brought the playground to a unified cause of teaching South School a lesson in kickball. Doherty proved that it is quality and not quantity as their crew of 12 versus the South crew of 24 ended in an 11-11 tie. The week closed with a trip to Brighams on Thursday and Poms Pond on Friday.

Sanborn

The first cookout was a great success. Despite the rain everyone was in good spirits and enjoyed themselves. Monday Alison Bartlett learned what kind of magic is involved in wax drawings. Tuesday Colleen Reid and Jenny Pecoraro showed that they weren't to be reckoned with in rollerskating. Of course, David

Pecoraro and Meg Workman were in the group that gave it their all. Wednesday Natalie Teperdjian showed that ice cream was meant to be worn not eaten and Tom Pecoraro proved that friendship pins were something for everybody. Thursday an attempt at Siamese soccer field, but Mike Morris helped make crab soccer a lot more successful.

South

The second week of playground began with a bike hike to Scoops Ice Cream, followed by a creative session of finger puppet making. Amy Kenny and Leanna Mills were the exceptional artists of the day. Tuesday proved to be extra exciting. Charles Calvi, Jr. and Melinda Fox, as well as many others, participated in a field trip to Roll-On-America. Mike won first place for the hoky poky while Michelle Doucette just missed placing in the four corners game. Everyone painted their names and pictures on the storage box. As it turned out many of the kids were as colorful as the box. Doherty playground came for a visit on Wednesday. They played kickball quite well. It wasn't until the last inning that South came around to end the game with a tie score. Thursday's highlights included wonderful clay creations. Jenny Romig made bright red roses and Drake Mari created a bowl for his mother. Other highlights included a game of Capture the Flag. Friday was full of fun as everyone celebrated their birthdays. The grab bag was full of many gifts of which everyone received one. After the cookout cupcakes were decorated and soon filled tummies to end the week on a sweet note.

West

The big event of the week as the field trip to Roll-On-America. Eric Begg, Adam Ferry and Beth Cummins were a few of the many children who participated in the trip. Amy Cohen, Beth Twohig, Amy Twohig and Billy Hoffman stayed at West finishing their popsicle houses and painting them. When Wednesday rolled around everyone sang songs waiting for the ice cream man. Due to the extreme heat on Thursday, the counselors, including Kim Wilkins and Lauren Petzold, initiated a water fight. Those lucky enough to be doused were John Mililo, Joey Sirois and Matt Abernathy.

All Day

The second session of the All Day playground was off to a great start with a lot of new faces as well as a lot of returning playgrounders. Welcome to Casey Pant, volunteer. Monday's craft was popsicle stick art. Mike Ardito, Maureen Mullen, Christine Mullen, Erica En-

dyke, Tasha Roberts, Johah Corneau and Brenda Brightman made some terrific creations. Four square, a playground favorite, was enjoyed by Jared Greenberg, Joel Katz, Janet Ardito and John DeMember. Congratulations to Stephanie Buck who recently passed her deep-end swimming test. Tuesday was Roll-On-America. Some skaters were Jen Buck, Courtney Cunningham, John DeMember, Matt Tomkinson, Justin Rosenblatt, Kelly Ferguson and Evan Ferguson. People painting was Tuesday's craft with Cara Endyke, Evan Duff and Joel Katz serving as models. Wednesday the whole playground participated in a rousing game of hit and run. Group cartoon drawing and collages were the day's crafts. Participants included Gwendy Duff, Mike Ardito, Christine Mullen, Jen Buck, Stephanie Buck, Maureen Mellen, Jay Shaughnessy, Mike Shaughnessy, Janet Ardito, Jonah Corneau, Aaron Lafond and Adam Lafond. Late in the afternoon the group enjoyed a game of Wheel of fortune, another playground favorite. Jared Greenberg, Courtney Cunningham and Gwendy Duff were some players. Thursday opened with a great game of Germany tag. Helping with a pinata were Cara Endyke, Erica Endyke, Evan Duff and Christine Mullen. Kleenex flowers occupied a number of the kids, including Janet Ardito, Jen Buck, John DeMember and Courtney Cunningham. Meanwhile, Jon Deloge, Jay Shaughnessy, Kelly Ferguson, Stephanie Buck and Joe Katz were busy coloring.

Michael E. Tanner

Mass. Maritime

Michael E. Tanner, son of Mr. and Mrs. John V. Tanner, 10 Charlotte Drive, Andover, graduated June 23 from Massachusetts Maritime Academy, Buzzards Bay, with Bachelor of Science degree in Marine Engineering and a U.S. Coast Guard license as a 3rd assistant engineer. He is a 1979 graduate of Andover High School and is employed at the Boston Shipyard.

Dartmouth

Two students from the Andover area were among more than 1,000 Dartmouth college students to receive the bachelor's degree at commencement exercises Sunday, June 10.

Joanne P. Hildebrandt, daughter of Mr. and Mrs. Frederic Hildebrandt, 5 Serenity Lane, Andover, is a 1980 graduate of Andover High School. A government major and a cum laude graduate of Dartmouth, Hildebrandt was a member of the Collis Student Center Governing Board. She participated in the Language Study Abroad program in Arles, France, during her sophomore year.

Charles L. Goss, son of Mr. and Mrs. Lane Goss, 89 Johnson St., North Andover, was a member of the football team and an art major. He is a 1980 graduate of Phillips Exeter Academy.

Dartmouth, the ninth oldest college in the United States and the northernmost of the Ivy League institutions, has an enrollment of approximately 4,000 undergraduate and nearly 1,000 graduate students. Noted as one of the most competitive colleges in the nation, Dartmouth operates on a distinctive four-term, year-round system.

Awarded Degrees At Dennison

Two Andover residents were among the 481 graduates awarded degrees at Denison University's 143rd commencement on May 26.

Those awarded bachelor's degrees included:

William Tapley Eaton II, son of Mr. and Mrs. John S. Eaton, 233 Andover St., was an economics major with a minor in political science. He graduated with a bachelor of arts degree. Eaton was a 1980 graduate of Andover High School.

John Malcolm Taylor, son of Mr. and Mrs. Theodore Taylor, Jr., 12 Sagamore Drive, was a geology major and graduated with a bachelor of science degree. He received the Philip E. LaMoreaux Scholarship (geology) and was a Dean's List student. Taylor graduated Phillips Academy in 1980.

Renowned Harvard paleontologist Stephen Jay Gould presented the commencement address on "Dinosaurs and Mass Extinction" and was presented with an honorary doctor of science degree by Denison President Robert C. Good. Good, who is stepping down as president for health reasons, was also surprised with an honorary doctor of humane letters degree presented by Charles A. Brickman, chairman of the board of trustees.

Denison University, located in Granville, Ohio, was founded in 1831 and is a privately supported, coeducational college of liberal arts and sciences, offering four bachelor's degrees (B.A., B.S., B.F.A., B.Mus.) among 34 majors.

Completes Training

Norman W. Bailey, son of Mr. and Mrs. Walter L. Bailey, 707 Johnson St., North Andover, has completed a U.S. Air Force ROTC field training encampment at McChord Air Force Base, Wash.

Field training, attended by cadets normally between their second and third year of college, gives an opportunity to evaluate each student's potential as an officer, according to an Air Force spokesman.

Bailey is a student at the University of Arizona, Tucson.

Local Students Attend Bradford Summer Classes

Several Andover students are attending College Academy, a three-week summer program for bright youngsters in grades 4-8 at Bradford College in Haverhill.

More than 20 courses are offered in this fast-moving, highly-competitive program for students who enjoy an academic challenge. Computer Programming, Meteorology, Song Writing, Basic Electronics and Creative Problem Solving are a few of the courses offered.

Founded at Framingham State College in 1979, College Academy has grown from 240 students to 1,750 this summer at Bradford, Regis, Stonehill, Holy Cross and Framingham State colleges.

Bugs Bunny Featured

The Department of Community Services' film, "1001 Rabbit Tales" will be shown Monday, July 23, behind Doherty Junior High School at dusk. Bugs Bunny and his friends Daffy Duck, Yosemite Sam, Tweety and Sylvester are back in their third hilarious and fun-filled movie. Admission is free. Raindate is July 24.

Attending this summer are Elisa Derby, W. Hsieh, Allen Christopher Tomkin, Soong, Alaina Scherson, Christian L. Payroeder, Tina Marie ne, Andrew U. Mosca, Lisa Ann MosParadis, Kahleen ca, Stephen J. Franco O'Brien, Matthew Ra- and Charlotte Anne dack, Jeffrey Fluhr, Ringleb.

Activities

(Continued from Page 17)

Holmes, Michael Martin, Danny Peikin and Alex Tommasino were Superman, Stephen Byers and Adam Jasne were clowns, Brent Desmarais was a Viking warrior, Jeffrey Cutler was an Indian and Sarah Kolitz and Andrew MacDonald were cowboys. Robin Detterman came as a beautiful fairy princess, Emily Jonas was a baton twirler and Jamie Lipman and Shanon McNab were ballarinas. Two Michael Jacksons entertained, Michael Orlandella and Nick Guild, complete with gloves and moon walks. Austin Lewis was disguised as Batman and Joshua Murphy frightened everyone with his Frankenstein costume. Michael Kaufman hopped around as a cute little bunny and Jason Knowlton as Tom Cat. Rebecca MacDougall was Strawberry Shortcake and Sara Reef came as a Smurfette. Katie Stone looked terrific in her gypsy outfit and Diana Marino was a Halloween Witch. Melanie Katz wore a costume from the Orient and Matthew Redmond was a pirate with a patch over his eye to prove it. Joshua Prudden had a spaceman's uniform and looked like he was all ready for the next space shuttle flight. Tim-o Williamson was a bright red, juicy apple and David MacDonald was Skelatore. Preschool had one little red devil and that was Ethan Murphy. Miles Sedgewick was the tiny tot devil.

Tiny Tots celebrated Halloween as well. They made jack-o-lanterns and had a costume parade with music and instruments. There were several super heroes: Douglas Hsu, Matthew Klotz and Mark Zammuto were superman and Brian Lewis was spiderman. Jackie Tommasino was a construction worker with a hard hat and everything. Charlotte Chandler was a princess and Ashley Bamford was the Cookie Monster. The princess had a king who looked an awful lot like Gregory Rosenheck. Star Wars was represented by Jared Greer who was an Ewok and Kirk Larsen was a tropical bird. Robyn MacNab was a gypsy dancer.

Kalley and Michael Thomas loved playing on the climbing toy and Lesley Babek, Deanna Corey and Danny Michelinie did a great job making pictures with dried beans. Jennifer Valentine, Marissa Yellenberg, Adam Spiller, Lindsey Pearson, Allison Lynch, Elizabeth Kelly, Paula Katz and Michael Jones took a leisurely nature walk and collected pine cones for an arts and crafts project.

Granted Tenure At University

S.J. Chen, 36 Algonquin Avenue. Andover, was granted tenure at the College of Engineering, University of Lowell.

Chen, a specialist in plastics engineering, received a B.S. degree from National Taiwan University, M.S. from California Institute of Technology and Ph.D. from Kansas State University.

NEW PRE-ARRANGED LOAN SECURED BY REAL ESTATE

Remember your first mortgage? Using your home for security gave you a substantial sum of money. Back then, you used it to buy that home. Today, you can use your home to secure an equity loan. It, too, probably represents substantial buying power; power you'll need for college tuitions, home improvements or other major purchases.

How'd you like to be able to exercise that spending power anytime you wanted? It's possible with the Haverhill Cooperative Bank's Credit/Line Reserve™ Account.

The closing costs to arrange Credit/Line Reserve are quite reasonable. And, you will not be required to pay interest or any service charge if you have not written a check on the account.

Simply stated, we give you a checkbook. When you write a Credit/Line check we automatically put enough money into the account to cover the check. And, no charges are made until that check is written—even if your first check is ten years later!

So, why not inquire today about our Credit/Line Reserve™ Account at our mortgage department. Arrange to exercise your spending power when you want to . . . just by writing a check.

When the time is right...you'll be glad you arranged for

College Study Program Offered

The Andover-North Andover Y.M.C.A. has announced that John Coggins, dean of North Central Campus of Perdue University will again teach "How to Study in College" starting July 23 at Merrimack College Library Auditorium.

According to Coggins, "My personal experience shows that one of every four freshman who enters college this fall will not make it to the sophomore year. Only 35-40 percent of entering freshmen will graduate in four years from their college of entry. I know these percentages can be improved if more freshmen are properly prepared for the campus experience."

That is why two Purdue University professors developed the "How to Study in College" course and that is why the course is being offered by the Andover-North Andover Y.M.C.A.

"The first year of college is normally the crucial year," said Coggins.

"This course, which we are pleased to offer again to college-bound students from the Greater Lawrence

area, is designed to prepare them for that freshman experience—to provide them with practical information, basic skills, inside tips and confidence that will give that all-important head start on campus. It can be a confusing environment for the college beginner. This course is tailored to overcome that problem and to make the transition from high school to college a pleasant and successful one."

He emphasized that the course is of benefit to good students as well as marginal ones and that adults returning to, or starting, college will find much in the course to help relieve their anxieties.

High school graduates who wish to be assured of a place in the class which will meet next Monday through Thursday from 7 p.m. to 9:30 p.m. are urged to immediately register at the Y.M.C.A. or call Cathy Dawson at the Y.

Students are asked to arrive early on Monday to complete registration.

Kaleidoscope Program To Begin

Preparations have all been made for Kaleidoscope's fourth summer program for children to be held in Andover August 6-24. All registrants should have received a six-page newsletter with details about the program, such as location and time of courses, current course openings, first-day procedures, etc. The majority of courses will be held at West Elementary School, Beacon Street, Andover, with the following exceptions:

Computer Know-How (Grades 7, 8, 9) West Junior High School

Computer Camp - introductory (Grades 4, 5, 6) West Junior High School

Study Power (Grades 4-5 and 6-7) Doherty Junior

High School

History Mystery and Indian Investigations, Andover Historical Society

Body Buddy (Grades K, 1, 2) 126 Lowell St. Andover
Courses meet either from 9 a.m. to 11:30 a.m. or from 12 p.m. to 2:30 p.m. with the following exception: Magic of Movement (Ages 3-4 and 4-5) meets from 12 p.m. to 2 p.m.

If anyone who has enrolled in a course has not received the newsletter, contact Janis Baron, director, or write Kaleidoscope, Box 506, Andover.

Kaleidoscope is offered in cooperation with the Andover Department of Community Services.

Tourist Wins Piano From Mississippi

Mrs. Loretta Murphey of Andover won a Baldwin piano in June as part of the Mississippi Division of Tourism's Hospitality Month promotion.

She was among several thousand who registered at state Welcome Centers and at the Mississippi Pavilion at the World's Fair. Her name was drawn by Seymore D. Fair, official

mascot of the Louisiana World Exposition.

During June, Welcome Centers and communities around the state provided tourists a variety of gifts including meals and accommodations. Hospitality Month is an annual promotion by the Division of Tourism to show tourists how much their business is appreciated by the people of Mississippi.

To Initiate Phone Bank For Shamie

U.S. Senate candidate Ray Shamie will be in Andover on Tuesday, July 24, for the grand opening celebration of the Andover-area Ray Shamie Phone Bank.

The Phone Bank, located at Sheraton Rolling Green, 311 Lowell St., Andover, is part of the campaign's statewide effort to reach every Republican household and targeted Independent households in Massachusetts in one of the most sophisticated and far-reaching political phone bank endeavors in the state's history.

In the first few weeks of the volunteer recruitment drive, nearly 1,000 people signed up to work. "This just goes to show the strong, grassroots support my campaign generates," said Shamie. "And that is because

people don't want career politicians anymore. They want representatives who understand the problems of working men and women. That's where my roots are. And that is what this campaign is all about."

Shamie challenged Ted Kennedy in 1982, making political history when he won nearly 40 percent of the vote and succeeded in holding Kennedy to his lowest margin ever. In this race, he is fighting not only for the U.S. Senate seat, but to restore the two-party system in Massachusetts by building a new Republican Party.

Campaign staff and area supporters will be on hand for Tuesday's grand opening festivities, which will begin at 11 a.m.

If we could read the secret history of our enemies, we should find in each man's life sorrow and suffering enough to disarm all hostility.

Leo Abbott To Perform At Music Hall

Leo Abbott will present a recital on the old Boston Music Hall organ at the Methuen Memorial Music Hall on Wednesday, July 25, at 8:30 p.m.

Abbott is a graduate of the Boston Archdiocesan Choir School and the Chaloff School of Music, Boston. He is well known as a recitalist, having performed at the Kennedy Center and National Shrine of the Immaculate Conception in Washington, D.C., the Hammond Castle in Gloucester, Portland (Maine) City Hall and Trinity Church, Boston. In October 1983 he was the first prize winner at the International Organ Performance Competition at the University of Michigan. Abbott holds the Associate and Choir Master certificates of the American Guild of Organists and is music director at St. Mary's Catholic Church in Holliston.

His program will include Fugue in E-flat Major, BWV 552 by Bach; Three Schubler Preludes by Bach; Sonata III in A Major by Mendelssohn; Prelude and Fugue on B-A-C-H by Franz Listz; Symphonie Romane by Charles-Marie Widor; Scherzo, Op. 2 by Maurice Durufle; Symphonie IV by Louis Vierne and L'Ascension by Olivier Messiaen.

The grand pipe organ in the Methuen Memorial Music Hall was built by Walcker of Ludwigsburg, Germany, for the Boston Music Hall and was the first concert organ in the United States. It is the only pipe organ to include a building designed especially to display and support its performance.

The Music Hall is located on Broadway (Route 28) in Methuen, just south of the square.

Organist Samuel Carabetta will perform Wednesday, Aug. 1, at 8 p.m.

Recreation Equipment Needed

Mentally retarded residents of the Charles V. Hogan Regional Center in Danvers and the John T. Berry Rehabilitation Center in North Reading would greatly benefit from donated recreational items. They need a ping pong table, pool table, strong badminton set, croquet set, hammock, piano, stereos, sturdy couches and chairs, large canopy and an adult swing set.

Recreational donations are tax deductible and arrangements for transporting large donations may be made.

The Charles V. Hogan Regional Center serves the needs of multiply handicapped mentally retarded from throughout northeastern Massachusetts. The John T. Berry Rehabilitation Center serves the needs of more

than 90 handicapped residents from the same area. Their philosophy is based upon helping each handicapped resident achieve the greatest individual level of self-sufficiency.

Anyone able to make a recreational donation may contact the Office for Community Participation at the Massachusetts Department of Mental Health, Halthorne.

Officers Elected

Officers for the 1984-85 season of the Young People's Theatre Workshop of the Silver Lake Spotlighters were announced recently at the annual awards night at the Wilmington K of C.

Elected were: Tina Favero, president; Katie Finn, vice president; Anne Law, secretary; and Alicia Cuoco, treasurer, all of Wilmington. Tom Woods of North Andover was elected to head the playreading committee consisting of Jennifer Bissett, Cheryl Hartford and Kendra Mar, all of Wilmington.

If you are interested in participating in the Young People's Theatre this year, contact any of the YPT officers.

Tanner-Robinson

Mr. and Mrs. John V. Tanner

Wendy Susan Robinson, the daughter of Mr. and Mrs. George Robinson of 9 Belknap St., Arlington, was married to John V. Tanner, Jr., the son of Mr. and Mrs. John V. Tanner of 10 Charlotte Drive, Andover, May 26 at St. Eulalia Church in Winchester.

The Rev. Joseph Collins of Avon, cousin of the groom, officiated at the five-thirty o'clock ceremony.

The bride, given in marriage by her father, wore a gown of lace-trimmed chiffon over crepe styled with a formal train and Queen Anne neckline. Her fingertip veil fell from a hat trimmed with lace and lily of the valley, and she carried a bouquet of white tea roses, palm lilies, and lily of the valley.

Anne M. Francis of Arlington was maid of honor. Bridesmaids were Rosemary Abruzzese of Arlington;

Nancy Robinson of Arlington, the bride's sister-in-law; and Suzanne Tanner and Margaret Tanner of Andover, the groom's sisters. They wore long gowns of apricot chiffon over crepe, and carried old-fashioned bouquets of apricot carnations, Sylvia roses and palm lilies. The maid of honor wore a Sylvia rose in her hair, while the bridesmaids wore miniature carnations with baby's breath in their hair.

Michael Tanner of Andover, the groom's brother, was best man. Ushers were Timothy Tanner of Bradford, the groom's brother; Andrew Robinson, the bride's brother; Daniel Williams of Lawrence; and Brent Williams of Lawrence.

The bride's mother wore a multi-layered gown in mint green accented with a white rose corsage.

The groom's mother chose a bone-colored chiffon gown highlighted by an orchid corsage.

A reception was held following the ceremony at the Woburn Country Club.

The bride is a graduate of Arlington High School, employed by Electro-Systems, Inc.

Her husband is a graduate of Andover High School, and the University of Massachusetts at Amherst, where he earned a B.S. degree in wood science and technology. He is employed as service manager at Andover Business Machines.

Following a wedding trip to Bermuda, the couple will live in Methuen.

Vacation Bible School At Free Church

Free Christian Church invites families of greater Andover to participate in a one-week Vacation Bible School July 30-Aug. 3 from 9 a.m. to 11:30 a.m.

The theme of this year's program is Christ Our Shepherd and the daily sessions are open to children now three years old to those entering sixth grade in the fall. Donna Hancock is the director/teacher, Pauline Hamilton is the pianist and group leaders are Debra Conlon for nursery and kindergarten, Dianna Hall for first-third grade and Kathy Daniel for fourth to sixth grade.

Daily activities will include singing bible songs, hearing and studying such Bible stories as the parable

of the lost sheep, Peter's denial of Christ, Paul's shipwreck, manna from heaven and Ruth and Naomi, memorizing Bible verses, working on creative handicrafts and learning the 23rd Psalm. Snacks will be provided.

Register in advance at the church office, 32 Elm St., Andover, mornings or in the Lower Hall between 8:30 a.m. and 9 a.m. on Monday, July 30. Registration fee is \$5; scholarships are available through the church's christian education committee. Contact the church office or Donna Hancock after 4 p.m. for further information.

Registration

Registration for engineering and industrial technology programs for more than 3,000 students begins on Monday, Aug. 27, at Wentworth Institute of Technology in Boston. Wentworth is one of the largest accredited technical institutes in the U.S.

Second year students will register on Monday and first year students on Tuesday. Juniors in the cooperative education programs will also enroll on Monday.

Classes will begin Tuesday, Sept. 4.

Registration for Wentworth's Weekend College will be conducted on Wednesday and Thursday, Aug. 29 and 30, from 5:30 p.m. Students in the Weekend College attend classes on Saturdays only and earn a Bachelor of Science

in Engineering Technology degree in three years. Programs include Computer Science, Electronic Engineering Technology, Architectural Engineering Technology, Technical Management, Mechanical Engineering Technology, Interior Design, Construction Management and Building Construction.

Students in the Wentworth Evening Division four-year degree programs in aeronautical, architectural, electronic and mechanical technologies will register on Wednesday and Thursday, Aug. 29 and 30.

Enrollment for evening study in individual technical courses will be conducted on Monday and Tuesday, Aug. 27 and 28, at 5:30 p.m.

Wampanoag
Wedding

Visitors to the Wampanoag Summer Encampment at Plimoth Plantation can participate in dancing and singing that will follow a traditional Wampanoag wedding ceremony on Saturday, July 21.

Wampanoag women will spend the morning preparing the wedding feast of corn, fish and fowl.

At midday, the Wampanoag tribe, dressed in their finest deerskin, will gather around the couple as the Sachem pronounces them husband and wife. The Sachem will advise the couple to be faithful and to bring forth strong children.

Relatives and friends will present the couple with woven mats, baskets, animal skins and various

utensils.

Open every day from 9 a.m. to 5 p.m. Plimoth Plantation, the living museum of 17th century Plymouth, is located on Warren Avenue (Route 3A) just three miles south of downtown Plymouth. Its exhibits include the full scale replica Mayflower II docked at State Pier in Plymouth Harbor and the 1627 Pilgrim Village.

I man who is angry on the right grounds, against the right persons, in the right manner, at the right moment and for the right length of time deserves great praise.

He leaves one niece, Diane Hyde; and three nephews, Donald, David and Christopher Hyde, all of North Andover; and several cousins.

A funeral mass was celebrated at St. Mary's Church, Lawrence. Burial followed at the Immaculate Conception Cemetery, Lawrence. Funeral arrangements were handled by the Breen Funeral Home, Lawrence.

Claire O'Hagan

Claire Marie (Malloy) O'Hagan, 22 Pleasant St., Andover, died July 14, at the Lawrence General Hospital. She was 58.

Mrs. O'Hagan was a member of the Merrimack Valley chapter of the Sweet Adelines, a singing group. She also held membership at St. Robert's Bellarmine Church, Andover. She was born in Lawrence and attended schools there.

She was the widow of James M. O'Hagan. Mrs. O'Hagan leaves nine children, Patrick, Brendan, Darren, Siobhan, Deirdre and Liam, all of Andover, and J. Michael, of Marlton, N.J.; Colleen (Mrs. James) of Lakewood, Fla.; and Rosemary, of Sunderland; seven grandchildren; one sister, Ann F. (Mrs. Louis) Gosselin, of Andover; and seven nieces and nephews.

A funeral service was held Tuesday morning at St. Robert Bellarmine Church, Andover. Burial followed in Spring Grove Cemetery. Funeral arrangements were handled by the Breen Funeral Home, Lawrence.

Streets Denied

Three of the streets accepted as public ways by Town Meeting voters this fall were dropped from the rosters on Monday after Department of Public Works Director Robert E. McQuade informed the Board of Selectmen, in a memo that they were not up to snuff.

Parthenon Way, Pole Hill Drive and Penni Lane will be private ways until the next town meeting when their developers have the option of again asking for public acceptance.

The Town Meeting vote was contingent on whether the developers could finish site work including drainage, road surfaces, road shoulders, utilities and finish coats of hot-top. McQuade was unable to say what work was undone at the three unaccepted streets by the June 30 deadline.

Arthur Kalogianis' Olympic Construction is developing Parthenon Way and Pole Hill Drive and George Chongris is the developer at Penni Lane, according to Planning Board records.

Streets that are not public ways are not maintained by the town, they are the developers' responsibility, said McQuade. The town will pick up trash and plow the snow on streets with more than one house, he said.

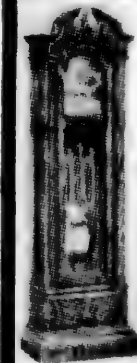

The accepted streets are Penacook Place, Apache Avenue, Wabanaki Way, Shawnee Circle, Sioux Circle, Cheyenne Circle and McDonald Circle.

Vegetables

There is nothing as big and juicy as a garden-fresh tomato. They develop the best flavor when allowed to ripen on the vine before being picked. Choose plump tomatoes with a rich red color and store uncovered in the refrigerator until ready to use. It's best to use them within one week. Tomatoes are an excellent source of vitamin C and are a fair source of vitamin A.

One of the garden's sweetest, most succulent vegetables is native sweet corn. Sweet corn should be eaten soon after it's picked since the sweet flavor is quickly lost after

picking. If this isn't possible, refrigerate the ears as soon as possible and wrap in a damp cloth to keep moist. Look for fresh, green succulent husks and kernels that are plump and cover the ear well. Sweet corn provides a fair amount of vitamin C and useful amounts of other vitamins and minerals.

Play Fields Among Priorities

Use of an old town building, renovation of another and possible purchase of much-needed playing fields topped the list of ten goals the Board of Selectmen set as priorities for the next year.

There was some disagreement among members as to how the list of goals should be formulated as Selectman Charles Wesson suggested that the board shouldn't set goals for town department heads, instead he said the selectmen should review the goals of the department leaders with Town Meeting and prioritize them.

Gerald Silverman disagreed saying the goals should "come from the top down." Wesson buttressed his statement saying for example that there are many important things that the Public Works Department does each year but after three hours of searching he could come up with a list of three goals for the whole town.

"There has to be more than this," said Wesson who's suggestion fell by the boards as Chairman Donn Byrne said the goals were to be general and not specific. Mahoney added that instead of concerning themselves with individual departments' tasks, the priorities the board should consider for next year were those of concern to the entire town residents and would, in many cases, take a number of departments to accomplish. The fine-tuning would be up to him.

Board members each read off their goals and Town Manager Kenneth Mahoney told them he had counted ten different areas at the end of their individual list-reading. Each year the board specifies areas on which they want Mahoney to concentrate for the next year.

The ten goals submitted to Mahoney by the selectmen are:

- **Former Town Hall:** create plans for re-use of the building which board members insisted they wanted to approve before any action was taken. This was mentioned by Wesson, Byrne, William Dalton and Norma Gammon.

- **Memorial Hall Library renovations:** Silverman, Wesson and Dalton said they wanted the library to be renovated and finished as soon as possible. Mahoney told the board he was opening bids on the work on Monday, August 13.

- **Evaluation of department heads:** requested by Silverman; Mahoney said he would have them complete and to the board in six weeks.

- **Parking:** listed as a priority by Wesson who said he wanted a joint recommendation from town officials and Andover's merchants for downtown parking. He said this may be a special article for Town Meeting.

- **Better enforcement of Zoning and Planning Boards:** suggested by Dalton who said he thought more pressure and enforcement on builders to comply with rulings from both boards may necessitate the hiring of more inspectors. Gammon added that she thought the board should pay attention to the use of land in town, calling the buildable land that remains "marginal." She also suggested more enforcement in the field.

- **Master plan:** Dalton said he wanted to use a plan of land use and zoning come before the next regular Town Meeting.

- **Playing fields:** because of the recent discussions over the lack of playing fields and the poor quality of many of those Dalton said it wasn't fair to ask people to use poor quality fields, adding that the town should think about buying and building new fields.

- **Pumping station:** Gammon said one of her priorities is to see construction begin on the proposed Riverina Road pumping station.

- **River Road:** Byrne said he wanted roadway improvements proposed for River Road to be completed so the traffic there isn't like the traffic at Lowell Junction.

- **Budgeting:** Byrne also said he wanted to see the town institute "program budgeting," a system that would allow costs of different town services to be broken down.

Home Hit By Auto

An Andover home was hit by a car, driven by a Lawrence man who police say was passing improperly, last Thursday, July 12, at 12:14 p.m.

While driving south on Carmel Road Vincent J. Zappala, 19, of Lawrence, crossed Carmel Road and hit Eileen and William Walsh's home at 109 High St.

Andover police officer Henry Picard investigated the accident. Zappala was cited for improper passing, according to police reports of the accident.

Memorial Hall Library

Hundreds of elephants, clowns and bears are beginning to come to life as children in summer reading are filling in their summer reading charts. Others who have not yet joined the program may "Step Right Up to Reading" by signing up for a chart any time before the end of July.

Preschoolers who are not yet reading are invited to listen to some stories at Pajama Party, a Thursday story-hour at 7 p.m., or at Story Garden on Tuesday at 10 a.m. No registration is required.

Those who enjoy crafts may come on Mondays at 2 p.m. for an hour-wood sculpture using odd shapes of wood and glue will be designed and built

on July 23. This program is specially recommended for children 6-12 years.

The Wednesday afternoon feature film on July 25 will be "The Sword in the Stone," a Walt Disney version of the King Arthur legend.

Bulldozer makes way for new building foundation

Construction Gets Underway On New Office Building

The newest office building among Andover's growing River Road group of industrial buildings will called the Shattuck Office Center and is slated to open in March of 1985.

The three-story, 63,000 square foot structure is being developed at a cost of \$2.2 million by Irving Winn and Joseph Hoffman of Andover in conjunction with Leggat McCall and Werner, a Boston-based commercial and industrial real estate brokerage firm who will be the exclusive agent for the building.

Winn, who was on hand with the other developers and invited town offi-

cials for a ground-breaking ceremony beneath a green and white canopy on Tuesday morning, said his building will be "an asset" to Andover.

The architects who designed the building, which will be located off Old River Road, are from The Architects Collaborative, Inc., the firm that designed the recently-completed Copley Place in Boston. Winn said that the prestige and experience that the architects bring to the project are an important part of the job.

The three-sided Shattuck building, which will be built on a 5.13 acre site, will have a brick facade, the front of

which will be curved, with white brick trim around the windows and blue-green tinted glass panes. Inside appointments will feature a two-story lobby with a semi-circular stairway and red oak handrail.

Winn told THE TOWNSMAN that planning for the office building has been a year and a half to Tuesday's groundbreaking. He has appeared before the Planning, Zoning and Conservation boards for the proper permission to do the work on the site, which is zoned Industrial-D, said Winn.

Manager Studies Tax Break

Andover residents who will promise not to develop land they own may get up to a 90 percent tax break on that property, according to a plan still in its early stages that Town Manager Kenneth Mahoney is working on with the Board of Assessors and the Conservation Commission.

In a short discussion on the proposal, called "conservation restrictions" by Mahoney, the selectmen decided with Mahoney that the tax break on the property taxes should only be given for land that residents decided they would never build upon. A type of written agreement, or covenant, would insure that pledge and would run with the land, even if it changed hands.

Mahoney explained to THE TOWNSMAN that allowing a tax break to persons who promised not to build on land for only five or ten years would be akin to helping the owner make money off the land for it could be sold for development after five years agreement had expired and the owner would have saved a lot of property tax dollars.

Mahoney said the land plan was the idea of the Conservation Commission and the Board of Assessors, with whom he will again meet to redefine the so-called conservation restrictions so the tax break will be given only to those who will agree not to develop their lands for perpetuity, or forever.

Cormier Allowed To Continue

Developer Yvon Cormier's efforts to stabilize excavated areas in section four of his Andover Country Club Estates have been "more than satisfactory," the Planning Board was told last week, and he will be allowed to continue working in the section through the rest of the summer.

Staff planner Nancy Jeton last Tuesday night reported to the planners on status of work on the 3.89-acre section, part of the 360-acre cluster development under construction off Canterbury, Lowell and Beacon streets and Chandler Circle. Section four is located at the end of Canterbury Street and is bordered by Route 495.

According to Jeton, as of last Tuesday Cormier had nearly completed the work the board ordered him to do during a June 26 meeting: stabilized exposed soil in the area along Route 495 (fairway eight on the country club golf course). He had finished most of the work of loaming and seeding the fairway and was expected to finish the entire section by the end of last week.

Fall Town Meeting Planned

Because a meeting of the Andover's governing body, Town Meeting, gathers only once a year, some members of the Board of Selectmen do not feel Andover residents have enough opportunity to bring their concerns before the meeting and as a result have scheduled a second session for November.

Selectman William Dalton suggested the Monday, November 19, Special Town Meeting at the selectmen's meeting on Monday night. At their next meeting on Monday, August 13, the board must decide when to open the warrant for the Special Town Meeting.

"Six months is a long time to wait, (and) a year is ridiculous," said Dalton. "We have to think in terms of

what is most convenient for the citizens."

When Selectmen Chairman Donn Byrne suggested that a fall meeting would be beneficial to town committees such as the Planning and Zoning Board of Appeals he was told by Town Manager Kenneth Mahoney that the planners had already set their sights for a regular spring Town Meeting and were following a schedule that would allow them to present a long-range plan for that meeting. Mahoney said he didn't think the Planning Board would be ready for a special fall meeting.

"We're trying to help them dispose of matters to relieve them," said Byrne.

The town manager later told THE

TOWNSMAN that a fall meeting would give townspeople a chance to bring up articles such as rezoning. It would not be the time for any major policy questions brought by the town, he said. And there would not be any budget articles at a special fall meeting.

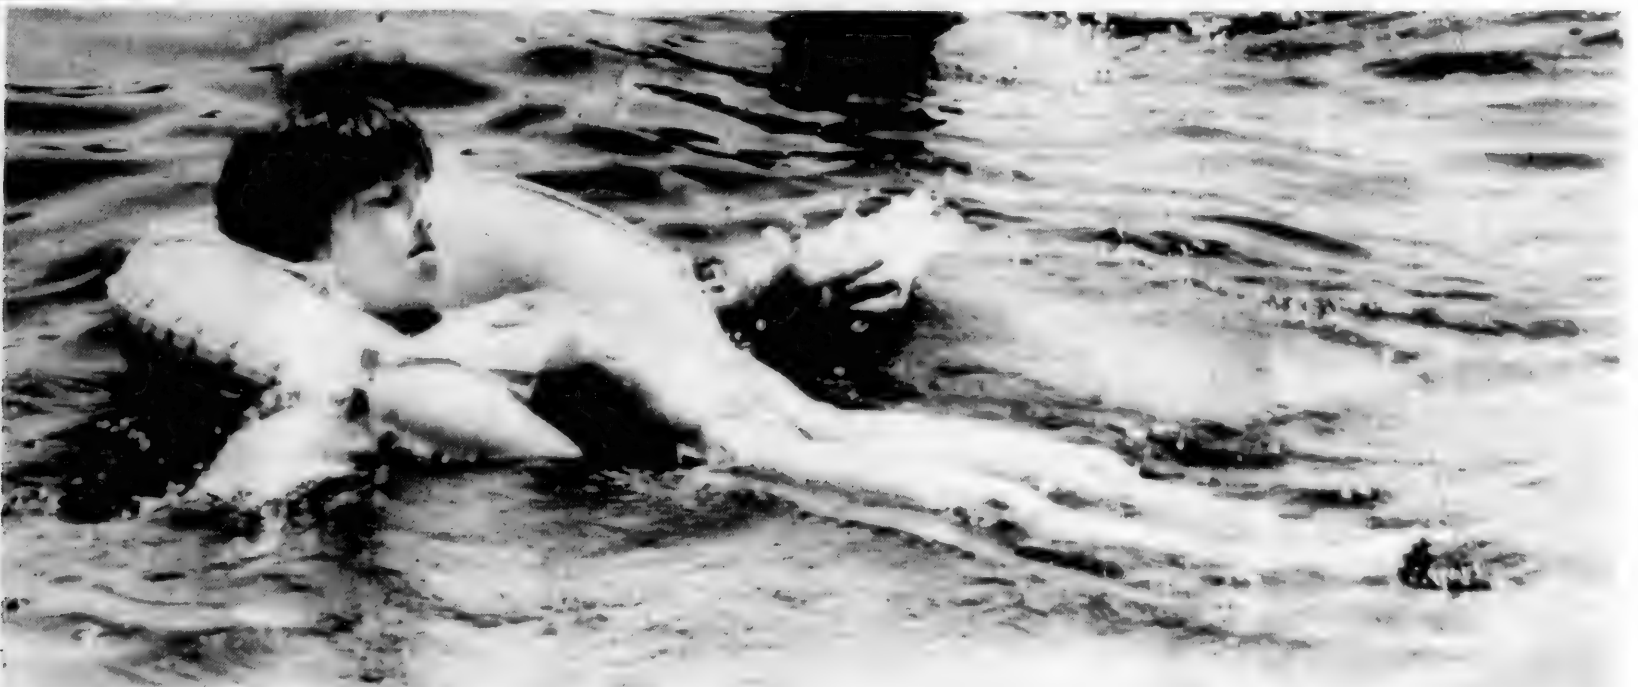

Silverman told his colleagues that he didn't think citizens with articles taken late on Tuesday, April 27, the second night of this year's Town Meeting, were given as fair a shot at passage as those with articles heard earlier. Mahoney countered saying a simple way to alleviate that would have been to continue the meeting for a third evening.

Watery Relief

When Andover residents seek relief from the heat and humidity and want to avoid long lines of traffic and crowded beaches, Pomp's Pond proves the ideal solution. Many residents followed that rule this past weekend as the temperatures hit the high 90's both Saturday and Sunday. Photos clockwise from upper right: Nine-month-old Tyler Patterson gets his first taste of Pomp's Pond with the help of his father, Bill Patterson; the dock is a favorite spot for swimmers; Seven-year-old Whitney Fraser gets some sun while floating around; Andrea Martin, four, and Sarah Martin, three, of Union Street play together; Christian Doherty, nine, gets around in his little canoe; David Hastings of Fleming Ave. and his 27-month-old daughter, Zoe, are silhouetted as they play in the water.

Roll In The Barrels

Decorating downtown Andover with flower bedecked barrels would appear to be a noble thought that failed.

The effort to beautify the downtown area is indeed a commendable gesture. Cooperation from Andover's garden club members, too, is appreciated.

But, after viewing the barrels for these past several weeks, unfortunately, it must be admitted that the decorative effort is in dire need of another look.

When it was announced that the project was to be undertaken, there indeed was enthusiastic response, a community feeling that the proposed flower-filled barrels would enhance the appearance of the business section.

Perhaps there was a misconception regarding the size and overall appearance of the decorative pieces prior to their arrival.

As they now appear, the barrels seem much too large. The flowers, which should be the focal point, are almost lost by the magnitude of the containers.

Too, the old wooden staves which compose the barrels are not the best appearance-wise.

And, as could be expected, the containers soon developed into what they weren't designed to accomplish, namely trash containers. Daily, one can view the deposits of litter tossed in among the flowers.

There have been suggestions that a coat of paint may improve the appearance somewhat.

Further suggested is that the barrels be cut in half, which, of course, would be a difficult task.

Basically it is too late in the season now to make any changes or alterations to the project, save removing the barrels from the downtown area altogether.

But, the thought itself was a good one and deserving of being pursued in another year in another fashion - - one which would provide downtown Andover with a more appealing appearance.

Down The Years With The Townsman

75 Years Ago — July 1909

Andover square and a few neighboring streets have been sprinkled with an oil preparation. Plans are being made to sprinkle other streets at a small cost to abutters.

The many friends of Mrs. Harold L. Cotton (nee Miss Ruby Jackson) will be pleased to hear that letters have been received of her safe arrival in Colon, Panama, after a pleasant passage of six days from New York. Mr. and Mrs. Cotton were met in Gorgona by friends who gave them a hearty welcome to their new home on the Isthmus.

Main Street cannot possibly be kept too sweet and clean. It cannot possibly be kept as clean as it ought to be this hot weather if storekeepers are allowed to empty their waste water from their tumbler washing into the gutters. This is now being done and should be stopped.

Few towns have so well located and desirable a playground as it is possible for Andover to have. Over \$2,000 has been put into this property, about half of it by private subscription, and the balance raised on a mortgage. From this money there is available enough to provide for the laying out of several baseball fields, tennis courts, and practically every other necessary feature for a first class field. The time is coming rapidly when the issue will be directly up to the people of the town whether they will make this a part of the town equipment and improve and develop it as it ought to be, or leave it in its present condition to finally revert to private owners.

The town of Andover floated a long-term serial bond issue of \$293,000 yesterday afternoon for its P.W.A. school building project, with the Andover National Bank presenting the low bid. The issue will mature at \$16,000 for the first eight years and at \$15,000 from 1943 to 1953. The interest rate will be two and one-quarter percent, and the bank's bid on the bonds was 100.13, making a net cost to the town of \$64,554.10.

The state Department of Public Works has appropriated \$10,000 for the reconstruction of River road in an

agreement whereby the town and county each pay \$5,000. The Board of Public Works expects to start work on River road following the completion of reconstruction and some work on Carmel road.

For the second time in the last few years, the Board of Selectmen last Monday voted not to grant a permit to George E. MacIntosh of Wakefield for the purpose of installing a filling station in the vacant lot on the southwest corner of Shawsheen Village square. A hearing was held two weeks ago Monday at the townhouse at which time 82 of those present voted against it with two for it.

The summer playground was the scene of an extremely comical contest last Friday evening when about 30 youngsters under 10 years old tried to outdo each other by blowing the largest soap bubble. The winner in this annual soap bubble competition was Frances Surrlette while Ruth Stafford and Mary Goldwyn captured second and third places respectively.

25 Years Ago — July 1959

An excavating contractor "blew up" at a hearing on his own gravel pit application Monday night, and was firmly escorted from the room by Selectman Philip K. Allen. Police were being summoned to do the job, when Mr. Allen grasped the North Andover contractor firmly by the arm and "walked" him speedily from the room. About 25 residents of the area near the proposed pit, on North Main street near the Lawrence line, had only begun to present their arguments against the operation when the contractor began to berate them.

Andover residents who drive to Boston daily can render a service to the Red Cross, by volunteering to transport packages of blood from Boston to Andover. The local Chapter has asked any resident, working in Boston, to register with the Chapter. Occasionally, a resident will be called to drive past the Massachusetts Regional Blood Center on Dartmouth Street, Boston, to pick up a package and deliver it here.

The Alcoholic Beverages Commission has asked the Selectmen to provide all available data on the application for a transfer of Deady's, Inc., package store from

The Public Forum

Appreciative

To The Editor Of The TOWNSMAN:

I would like to publicly thank the Andona Society for its very generous contribution to the Department of Community Services. We have received \$3,000; \$1,000 for a set of swings at Poms Pond and the remainder to be used to purchase start-up equipment and materials for child care programs currently being developed.

The recent school committee decision to allow the extended day program at Shawsheen School gives the department the "go ahead" we have been hoping for. The large volume of supplies needed would have been a major problem without the Andona Society's generous contribution.

To The Editor Of The TOWNSMAN:

Just a note of thanks to Big Don, Big Ron and Pete of the Andover Highway Department for prompt repairs to our driveway which had been slightly damaged by town equipment.

Outraged At Meters

To The Editor Of The TOWNSMAN:

I am outraged at the idea of installing parking meters in Andover.

"The purpose is to enforce turnovers," the manager emphasized, "and to keep all-day parking out."

The Town Manager, Kenneth Mohoney, seems to have overlooked the fact that there are Andover citizens who work right in Andover. They work an eight-hour day, not a two-hour or a four-hour one, but the entire day. Should they leave work every few hours to feed the meter? These Andover citizens, who live, raise their family and vote in this town, need to park in this town.

If town officials want to see parking space left for shoppers, they should put meters up for them. They can put some change in and then shop for a few hours.

Also, if the town can provide free parking for teachers, police and fire department employees, why not do so for library patrons, postal employees and other people of the working class in Andover.

The tip about parking near the rain station, given by the town manager, may seem a little impractical to some. A five or ten minute walk to get up town may not seem too bad, but what if you have to make the walk in almost a foot of snow or a really rainy day. It might make work all the more undesirable to face on a Monday morning.

It's not all the inconvenience and hassle it would cause that makes you mad. What town officials are really interested in is the turnover. While they park in their reserved spaces, Andover citizens contribute to the town officials' purely money-making scheme.

For Those Of Us Who Are Older

By Janet D. Lake

"Bugs Bunny's 1001 Rabbit Tales" is the name of the movie to be shown at the senior center next Monday afternoon at 1 p.m. Another Disney classic, a delightful funny afternoon and your grandchildren are invited to come with you. Of course, it is free.

The trip to Gloucester is filling fast, so if you want to be in the group to enjoy this very interesting day, you'd better hurry on down and sign up. The date is July 31 and the buses leave Andover at 8:30 a.m. You'll get to tour the Hammond Castle, have lunch at the Blackburn Tavern and then go on to the Beauport Mansion. It is sure to be fun, rain or shine. And the cost is only \$16.

Western music, square dancing, wild west decorations and ranch house vittles will all be yours if you hurry on down to the center and get your tickets for the Hoe Down July 28, starting at 5:30 p.m. and whooping it up until 10 p.m. And all for \$6. You'll enjoy barbecued chicken, ranch-style beans, cole slaw, dessert and beverage and there will be corn bread also. Best of all, you'll find your friends there, too.

The first of a ten-week exercise class was held this morning at 10 a.m., but you can still sign up and begin next week. It is an easy-exercise program that does not have you getting down on the floor. Many of the exercises can be done in a chair and the activity makes you feel so good.

Every Wednesday, between 2 p.m. and 3 p.m., you can have your blood pressure checked at the center. No appointment is necessary and it is free.

You still have time to sign up for the trip to Newport August 8. Cost for the day is only \$25 and includes

a super luncheon and entertainment as well as an opportunity to browse through historic Newport, R.I. There are not many seats left on the bus, but there are still some. Don't drag your feet getting down to sign up.

And, while you're there you might like to sign up for the

Clambake Tuesday, August 28. The group will travel to Portland, Maine, cruise out to Peakes Island for lobster, corn, etcetera, and then cruise back for a guided tour of restored, historic Portland. All for \$28.

Did you know the Council on Aging is sponsoring a trip to Foxboro October 25 to

hear Dennis Day perform at Dimitri's Red Snapper Restaurant? You'll have a baked chicken dinner and then relax and enjoy that great showman, Dennis Day. Cost for the trip is only \$20. It is sure to bring back happy memories of Jack Benny days. It is not too early to sign up.

On The Soccer Fields

By She Livermore

On the weekend of June 30, as several Andover boys competed in the Six-on-Six Soccer Tournament in Boston, some Andover girls were competing in the Eastern Regional Soccer Championships in Niagara. Although neither boys nor girls won their respective tourney crowns, they certainly made Andover soccer's presence felt. One boys' team captured second place and another, fourth place; the girls meanwhile so impressed the ultimate champions, they were invited to participate in another tournament.

Three boys' teams (Under 16 and Under 18) competed in the Six-on-Six Soccer tournament sponsored annually by Boston College. Both Under 16 teams survived the preliminary rounds played on Saturday, making them eligible to compete in the playoffs the following day. Ultimately, they each captured one of the four top spots in the finals.

Andover Gold beat Framingham 2-1 in the quarter-final round. A strong Duxbury contingent defeated them 4-1 in the semifinals. The consolation round was very exciting and went right down to the wire with Lexington (a team they had swapped wins with the day before) scoring the game winner with two minutes to go. Final score was 4-3. The Gold, which captured fourth place in the Under 16 Division, was coached by James DiClemente and comprised David Bartle, Geoff Bolan, Chris DiClemente, Chris Nelson, Bob Pothier, Chris Poor, Chris Sapuppo and Jim and John Saalfrank.

Second place in the U-16 Boys' Division was captured by Andover Blue. In the quarter-final round, the Blue beat Billerica 5-4 in overtime. In the semifinals against Lexington, down 3-1, they came back to win a 5-3 victory. Duxbury narrowly defeated Andover in the championship finale by scoring the extra goal for a 4-3 victory. Members of the team, coached by Barry Tucker, were David Doyle, David Eckman, Malcolm Glavin, Mike Hardock, Fred Kraatz, Paul McAdams, Simon Mitchell (vacationing here from Scotland), Cort Pomeroy and Barry Tucker, Jr.

The Under 18 boys' team did not succeed beyond the preliminary rounds. Their first game saw them playing a strong Wellesley entry who defeated them 4-0. In their second game they were narrowly defeated by Shrewsbury 3-2 and then overwhelmed Braintree 6-0. The team comprised Nick Bates, Rich Boucher, Dave Casanave, John Drake, Paul Hevehan, Dave Keene, Jeff Kennedy, Glenn Livermore, Gage Perry, Sean Ross, Rob Wilkins and Scott Wilkinson.

At the same time as the Andover boys were competing at Boston College, a team of Andover girls were representing Massachusetts in Niagara in the eastern Regional Championships of the United States Youth Soccer Association. The Cobras, an Under 12 Girls team, won the honor of representing the state by defeating last year's

championship team from Framingham 3-0 in the Massachusetts Regional Tournament of Champions.

Before the Cobras could undertake the trip to Niagara, they had to raise several thousand dollars and the ANDOVER TOWNSMAN carried an article on the subject. The girls ran a car wash, bake sale and "Rent-A-Kid" which produced a sizeable sum, but it was the outpouring of warmth and generosity by numerous Andover businesses and individuals which ultimately made the trip possible.

Eight teams participated in the Eastern Regional Championship. Group A comprised teams representing eastern New York, Virginia, Massachusetts and Connecticut. Group B comprised western New York, Maryland, New Jersey and eastern Pennsylvania.

The Cobras played their first game against a team from Wilton, CT. The first half was scoreless and continued that way until there were three minutes left in the game when Laura Hebeison scored on a pass from Susan Gianelli. Two minutes later Gianelli made it 2-0 with the assist going to Bridget Murphy and Kathy Doran. Massachusetts won 2-0. Upon arrival in Niagara, the team's goalkeeper, Nicole Ricci, came down with an inner ear infection which required hospitalization. Brenna Cronin, the team's most versatile player, took over the net and did an outstanding job, recording the shutout.

The Cobras then had to play an extremely physical team from eastern New York, who ultimately won 3-1. Doran scored Andover's goal completing a penalty shot (tripping in the penalty area). Cronin turned back New York's repeated attempts to score in the first ten minutes and Ricci, having recovered, returned to her goalkeeping duties in the second half and did an outstanding job.

On July 1, the Cobras played their final game against Virginia. Prior to this game, Virginia had beaten eastern New York 4-0 and Connecticut 9-0, so the Cobras knew the competition would be formidable. With goalkeeper Ricci back in top form and the whole team ready, the Cobras held Virginia scoreless throughout the first 25 minutes of play. Just before the half Virginia was awarded a penalty shot (hands) and completed it to go ahead 1-0. They continued to press and kicked in two more goals in the second half to win 3-0.

It is interesting to note that of all the Massachusetts teams representing various age groups competing in the Eastern Regional Championships (Under 19, 16, 14 and 12), the Andover Cobras were the only team to taste the thrill of victory. The team from Virginia who won the Eastern Regional Championship in the Under 12 Girls Division, were so impressed with the Cobras' skills and teamwork that they invited them to compete in Virginia's annual Columbus Day tournament.

Local Girls Earn Gold In Games

Caroline Pool and Vered Pomerantz were selected as members of the Northeast's All Scholastic girls' soccer team on Thursday, July 12.

The team defeated Metro 4-1 and their win on Friday against Coastal (5-0) advanced them to the gold medal game on Sunday at Boston University where they defeated Southeastern 4-3. With the field temperature at 116° the game went into double overtime and was finally decided in a shootout.

Pool and Pomerantz grew up in the Andover Soccer Program; both were members of Phillips Academy's Junior Varsity Division I team (Pool as the starting right wing). Both girls ran varsity track this past season.

Pool will continue her summer playing as a member of the Essex County Girls Under 16 Select Team.

Both girls will enter their sophomore year at Phillips Academy this fall.

Chris Eggert Throws No-Hitter

Chris Eggert of the American League All-Star team led his team to a 9-0 win by pitching a no-hit game against a Haverhill All-Star team in the opening round of the District 14 Little tournament. Eggert threw 90 pitches as he struck out 12 batters while walking only three, all of them in the fifth inning. A one point, 10 Haverhill batters were retired in a row.

The Andover team scored two runs in each of the first two innings, a single run in the third and sealed the victory by scoring four more runs in the fourth inning. First-inning singles by Joe Iarrobino and Peter Kannam, accompanied by a walk to Chris Lane produced the

two American league runs. Brett Hammon reached on an error, Paul Lembo and Joe Iarrobino followed with singles to produce two more runs. The fourth inning runs scored when Lembo started off reaching on an error, Todd Musteraid and Iarrobino followed with singles, Chris Lane doubled, Eggert singled and Peter Kannam followed with a log double which hit the fence.

Defensively, Lane played a good game behind the plate while Keith Abernathy, Pat Hayes, Iarrobino and Kannam played well in the field.

Rockport Walk

George Anderson will lead a Greenbelt walk on Sunday, July 22, at 1 p.m. The meeting place is at the Rockport railroad station by the Whistlestop Mall.

The Pigeon Cove Village Improvement Society has given Greenbelt a restriction on 15 acres of choice viewing land atop Pigeon Hill so that it will be protected in perpetuity.

A special panoramic map will be supplied by Greenbelt, marked with degrees so that you can know just what you are seeing.

A post-walk bonus is offered by the VIS, with refreshment on a member's front porch. "Old Castle," a 1750 country house furnished in period, will be open for viewing.

Kitchen Design

David A. Clement, designer

Contoured sinks provide focus for a large kitchen. They work especially well with long runs of countertop. The idea is similar to making a fireplace the central focus of a living room. With a contoured sink, it or one of its surrounding elements is pulled out into the room, out of line with the adjacent built-ins. For instance, the sink cabinet can be canted into the room, with one corner projecting out about six inches. If the dishwasher is angled in the same way projecting no farther than six inches, the effect is similar. If the work counter and cabinets on both sides of the sink are angled equally, a niche for the sink is formed that emphasizes its central function.

Whether you have a large or small kitchen redesigning it takes kitchen know-how. You may like the looks of a contour sink, but may not be able to use it in your kitchen. That's why you need the professional services of WINDSOR KITCHENS at 1181 Boston Rd. Ward Hill. Our staff enjoys the challenge of coming up with new ideas and designs for your kitchen. We know what will go and what won't. One of the most important things in creating a kitchen's function. We aim to give your kitchen that extra for you see us Monday, 9:30-5:30. Fri. to 8:30 to 2 & by appt. Tel. 372-3444.

Summer Soccer Camp.

In four weeks, a total of 600 youngsters from throughout the Merrimack Valley will learn the professional way to use heads, legs, bodies and some times their hands when it comes to playing the fast game of soccer at the Andover Soccer Camp. The camp started its eighth summer sponsored by the Phillips Academy Athletic Department and under the direction of Coach Dave Amundsen and Coach Bill Tarbox. A coaching staff of 25 will train boys and girls from grade school to high school through Aug. 3. On Friday nights the campers will demonstrate what they learned during the week for their parents by competing against one another in a contest and playing a soccer game after. This week 148 boys and girls from the 8-12 age group were taught the fundamentals. Photos clockwise from upper right: Sarah Mularz, 11, knows how to use her head; Fred D'Agata, 12, of North Andover gets some one on one coaching from summer coach Victor Gonzalez, a goalie for Salem State Soccer team; summer coach, Vasco Andrade demonstrates controlling and balancing the ball. Gold Ruthers Sweep To Title

By Rick Harrison

The Andover Gold Babe Ruth baseball team swept impressively to its third Greater-Lawrence League championship in the last four years, extending its winning streak through 11 straight games with three more victories last week.

The three triumphs during the final week of regular season play enabled Gold to hike its league record to 14-2, four games better than second place finisher South Lawrence West (9-6-1) and five up on both North Andover (8-7-1) and Andover Blue (7-7-2).

AG, coming from behind in all three games after surrendering all the opposition's runs in the first inning, began the week with a hard-fought 2-1 triumph against South Lawrence West at the Phillips Academy Field.

The champs then rocked South Lawrence East 12-2 at Mark Devlin Field and disposed of North Andover 7-3 at Grogan's Field.

Gold thus clinched the season series against all four league opponents, going 4-0 against East and Andover Blue and 3-1 against West and North Andover.

Righthanded pitchers Larry Aiello (5-0) and Chris Colsia (5-1) both chalked up their fifth wins of the campaign, while Scott Wallace became the fifth Gold hurler to register a victory this summer after tossing 5 and 1/3 innings of strong relief against SLE.

A combined team of Gold and Blue players also rocked Ayer 32-1 recently at Peroni Field in Ayer, and this past weekend in the annual Gold Father-Son Softball Game the Dads once again defeated their offspring 11-6 at the West Elementary School field.

Gold drew an automatic bye in the opening round of the annual post-season double-elimination G-L playoff tournament, and was to face the winner of the SLW-SLE game in its tourney opener last night.

Andover Gold, 2-1

Although surrendering his first run in four games (unearned), Larry Aiello came through with a masterful four-hitter as Gold rallied for single runs in the fifth and sixth to nudge South Lawrence West.

West pitcher Dan Cardillo tossed a four-hitter himself, but it wasn't quite good enough.

Aiello, who walked two and struck out one, surrendered an opposite field single to Bob St. Louis leading off the game. He then walked Bill Blackwell, and St. Louis raced home with the run when a Gold fielder dropped the ball

trying for a doubleplay on Kevin Dolan's grounder.

SLW threatened just once more in the game, Bill Buckley reaching third base in the fifth after a walk, wild pickoff throw and infield out. Aiello bore down to whiff the next batter and squash the threat.

Gold tied it with an unearned run in the bottom of the fifth. Mike Lane rifled a leadoff single, took second on a wild pitch, third on a fielder's choice and raced home on an error.

The winning run was also tainted, Aiello reaching on a misplay, stealing second and coming across when Lane's sharp grounder to second base skipped off the fielder's glove.

Chris Nelson and Chris Colsia added a double and infield single respectively for Gold, while Nelson also made a spectacular diving catch of a sinking liner in the sixth to rob Blackwell of extra bases.

Colsia at short (five chances) and Earl Abdoo behind the plate also played strong defensive games for the champs.

Andover Gold, 12-2

AG spotted South Lawrence East an early 2-1 lead when Gold starter Rick Lafond issued four first-inning walks, but a 10-hit assault and 5 and 1/3 frames of one-hit relief by Scott Wallace (1-0) propelled the champs to victory.

Gold notched a run in the top of the first when Earl Abdoo singled home Lafond, and the victors took the lead for good in the second with three runs. Walks to Kurt Burzlaff, Mark Russell and Andy Shea set things up, and then Chris Colsia spanked a two-run single and Abdoo added another RBI basehit.

The five-run fourth was highlighted by an

Andover Blue Finishes Regular Season At 7-7-2

By Todd Crimmons

In the final week of regular season play, Andover Blue of the Greater Lawrence Babe Ruth League finished their season with a record of 7-7-2. They beat South Lawrence East 9-7, dropped a 9-5 decision to North Andover and tied South Lawrence West 2-2 to finish off regular season play.

In the 9-7 win over SLE the Blue were able to play their 13-year-olds and get them some game experience. Chris McAnally had a hit and an RBI, John Russell had a double, single and an RBI and Pat Breen chipped in with an RBI single. Steve Howes and Matt Pothier at shortstop and second base, respectively, made a couple of solid defensive plays. Also contributing to the Blue offensive attack were Dave Curtis, Steve Surette and Bill O'Brien. Pat Breen and Peter Barry handled the pitching chores in this shortened five-inning game.

On Tuesday night at East, in a very good ball game, North Andover came up with five runs in the top of the seventh inning to pull out the 9-5 victory. Blue jumped out on top in the second inning 2-0. Jeff Smith and Dave Curtis had the big hits in the inning to get the Blue rolling. Both teams picked up single runs in the fourth inning and Blue came up with two more runs in the fifth when Peter Barry singled and Cam Deery and

Glenn Allard followed with back-to-back RBI doubles. North Andover came up with three runs in its half of the inning and then turned the game around with the five big runs in the top half of the seventh inning. Rennie went the first five innings on the mound for NA giving up five runs on seven hits and McCabe came on to shut out the Blue over the final two innings to get the win. Jeff Smith and Glenn Allard shared the pitching chores for Blue with Allard getting tagged with the loss.

The final regular season game pitted SLW against Blue in a game that typified the Blue's hard-fought season. Andover jumped to a quick one-run lead in the bottom of the first inning as Peter Barry singled and later came around to score on a passed ball. Andover pitcher Steve Surette and SLW pitcher Bill Blackwell matched up in a fine pitchers' duel with the Blue's 1-0 lead holding through the first six innings. SLW pushed across two runs in the top of the seventh inning. The Blue clawed its way back in the bottom of the seventh when Smith singled and came around to score on a couple of SLW errors. Surette went the distance giving up four hits and striking out three. The game was called after seven innings with both teams locked up 2-2.

Twins Win Town Title

The American Little League champion Twins defeated the National Little League champion Pirates two games in a row to win the Andover Town Championship. The scores were 12-6 and 4-3.

In the first game Brendan Sharkey led the Twins 10-hit attack with three hits, including two doubles and five runs-batted-in. Todd Mustera collected three hits and scored three runs; Keith Abernathy had two hits; Chris Poor and Matt McKenna each had hits. The Twins jumped to a three-run lead in the first inning, but the Pirates came back to score four in the first two innings. The Twins put the game pitcher away with five runs in the third and three runs in the fifth. The winning pitcher was Chris Lane who gave up seven hits while striking out six Pirates. The Pirates were led by Hurley who had two hits; Kurt Solomon had a clutch double good for two runs-batted-in. Other Pirates with base hits were Lanouette, Murnane, Manning and Boucher. Defensively, Lanouette and McKenna were outstanding at first base for each team.

The second game was dramatic with the Twins scoring four runs in the bottom of the last inning to overcome the great pitching effort by the Pirate's Kurt Solomon.

Gold

(Continued from Page 38)

RBI single from Gold, a run-producing infield out by Wallace, a single by Lafond and walks to Larry Aiello and Abdoo.

The final three runs came in the fifth when Lafond walked, Tom Murray drilled a double and singles were contributed by Lafond and Colsia.

Burzlauff, Colsia and Abdoo lashed two hits apiece, Glenn Farnham and Russell added singles, and leadoff batter Lafond scored three runs.

The only hit for SLE (Gold's fourth one-hitter this season) was a third-inning single by Colin Scanlon.

Rick Lafond made a nice running catch in left-centerfield to spark the defense, while Tom Murray (third base) and Glenn Farnham (second base) also played well.

Andover Gold, 7-3

Gold erupted for six runs in the top of the fourth, and Chris Colsia weathered a shaky first inning to allow just three hits over the final six frames en route to the victory over North Andover.

The game was a replay of one started earlier last week and halted in the third inning by rain with Gold leading 4-2.

North Andover bolted to a quick 3-0 lead in the rematch, parlaying singles by Sam Conte, Matt Strobel, Mark Rozzi and losing pitcher P.J. McCabe with a throwing error to do the damage.

Gold's patented comeback was launched with a run in the third after singles by Rick Lafond, Mark Tucker and red-hot Earl Abdoo (RBI).

AG batted around in the six-run fourth, the key blow a three-run double to leftfield by Abdoo. Mike Lane and Mark Tucker also had RBI singles in the pivotal stanza.

North Andover had just one runner beyond first base after the third inning, as Colsia settled down to whiff five batters and issue no walks.

P.J. McCabe slammed a leadoff triple to rightfield in the fourth, but he was left stranded on a shallow fly to Kurt Burzlauff in centerfield, a pop to Abdoo at shortstop and a grounder to Tucker at first base.

Chris Concemi, Tucker, Abdoo and Lane paced the 10-hit Gold attack with two safeties

apiece, Concemi drilling a long double to leftfield, while Andy Shea also rapped a single.

McCabe went 3-for-3 for North Andover.

Abdoo and Concemi played strong defensive games for the champs at shortstop and third base respectively, both handling four chances flawlessly.

Andover Gold-Blue, 32-1

A combined team of Andover Gold and Blue 14 and 15-year-olds recently got together for the second time, traveling to Ayer and drilling a Babe Ruth team from that town by an improbable 32-1 score.

Earlier this summer the Gold-Blue squad defeated the Methuen All-Stars, 11-4, a team that subsequently won the District II Tournament title and is currently competing in the State Tournament.

In the Ayer slaughter Glenn Allard, Jeff Smith, Mike Lane, Earl Abdoo and Scott Wallace combined pitching talents for a one-hitter and 16 strikeouts.

The multi-faceted offense was led by Chris Nelson with three hits, three RBI and three runs scored. Mike Lane with 3-for-3 including a homerun, Earl Abdoo with three hits including a pair of triples and three RBI, Dave Curtis with two hits and four RBI, Cam Deery two hits and four runs scored, Chris Colsia two hits, Larry Aiello two hits and three runs scored, Jeff Smith two hits, Glenn Allard one safety and Scott Wallace a hit.

Although there were few fielding plays necessary, Gold-Blue did turn a doubleplay involving shortstop Colsia, second baseman Wallace and first baseman Aiello.

A Tip

If you're traveling and your engine is running hot, turn off your air conditioner. This will reduce the load on the engine and will lower the engine temperature. Then check the cooling system as soon as possible.

TIDY CAR Preserv-A-Bed[®] LIQUID TRUCK BED LINER

Protect your truck box against scratches and premature corrosion with Preserv-A-Bed, the liquid truck bed liner which can be applied under and over painted surfaces.

The tough semi-gloss coating provides the truck bed with a permanent finish that will not warp, roll, buckle in hot sunlight and will not crack in cold temperatures.

The non-skid textured material will enhance the appearance of used and new trucks...improving resale value.

Preserv-A-Bed eliminates condensation usually found between a conventional truck box liner and the truck bed. In addition, this elastomeric material acts as a sound deadener.

Easily maintained...just sweep or wash the truck bed frequently. Remove oil or gasoline spills to eliminate damage to the protective coating with a cloth. If a small repair is necessary use Tidy Car's do-it-yourself aerosol repair kit.

Gasoline Use

Recent surveys indicate approximately 14 percent of the driving public use leaded gasoline in vehicles that require unleaded gasoline. This fuel switching significant-

ly increases automotive emissions through the deactivation of emission control system.

The pamphlet, Unleaded Gasoline, the Only Way, answers

the most commonly asked questions about fuel switching and addresses some current misconceptions concerning the benefits of switching. To order the pamphlet, call the

Wild Rabbit.

The Volkswagen GTI is engineered in Germany—where the Autobahns have no speed limits and

the country roads are filled with challenging S-curves and hairpin turns.

People there look at driving as serious fun. And their favorite high-performance choice is the GTI.

Here's why: 0-50 mph in 7.2 seconds. Standing quarter-mile in 17.9 seconds at 80 mph. Top speed: 108 mph. Lateral acceleration: 0.78g. Slalom speed: 61.3 mph. Braking: 60 mph to 0 in 3.5 seconds.

Drive the GTI yourself. It's a hare on the wild side.  It's not a car. 1984 GTI \$8,350.  It's a Volkswagen.

Audi invites you to take a closer look at three of our most amazing engineering feats. Our Prices.

4000S TWO-DOOR SPORTS SEDAN

\$12,640

4000S FOUR-DOOR SPORTS SEDAN

\$13,240

4000S QUATTRO SPORTS SEDAN

\$16,830

 When you consider how well equipped each Audi 4000S is, it's quite an engineering feat that they are so affordable.

The two 4000S sports sedans, for example, are aerodynamically sleek, feature front-wheel drive, rack-and-pinion steering, advanced fuel injected 4-cylinder engines, air conditioning, cruise control and the sort of comforting ergonomic interiors you expect in German luxury sport sedans. The surprise is, the engineering and luxury is not optional.

But the biggest surprise is the 4000S Quattro. It's the car that history will record as pivotal in the evolution of the passenger car. The German engineers at Audi combined permanent all-wheel drive with independent four-wheel suspension and four-wheel disc brakes to bring the driver a keener sensation of handling, cornering and stopping performance. And the interior appointments make it possible for passengers to enjoy this new driving experience as much as the driver.

The Audi sports sedans are worth a closer look. And even better than a look, a test drive. After you've experienced Audi's amazing engineering feats for yourself, we think you'll agree, the prices are sheer genius.

On-Line Computer Systems, Inc.

On-Line Computer Systems, Inc., 77 Main St., Andover, is the complete computer store with equipment and accessories for all phases of computer use: recreational and home personal use, business and educational use. They carry hardware like the Visual 1050, software for many systems, even those they don't sell, peripherals, accessories, books and more.

At On-Line Computers owner Richard and Salvatore Bramante believe in being not only a store, but a service. A homespun business that has continued to grow and expand, this computer store offers many services such as the software search service. If you have a need for a specific software, they will search for it for you.

Other services include delivery, set up and on-site training for systems sold. They have a training consultant who will instruct buyers on how to use the equipment. Service contracts are available and On-Line Computers is an authorized service center for many systems.

On-Line's specialty though is graphics. Richard and Salvatore carry graphic packages that are perfect for presentations where charts and transparencies are needed. For companies that don't want to invest in hardware but have a need for graphics, On-Line computers offers a service bureau that will create the graphics for you.

Intimidated by computer stores and confused by all the jargon? Visit On-Line Computers where Richard and Salvatore are not afraid to talk to customers. In fact, they encourage customers to come in, even if it's just for advice.

Talking to customers is the key to their success in matching user's requirements and guiding you in your choice of equipment. This helps you avoid buying too much or too little equipment for the job you want done.

Come in and see their many product lines including the Visual 1050 tabletop computer and the IBM compatible commuter visual commuter, the NEC line, the Lotus Development Corp. products Lotus 1-2-3 and the soon-to-be-introduced Symphony line, many information systems such as the "Delphi" on-line service and much more.

Depot House Of Pizza — Open Every Day

When things get hot this summer, give yourself a break just stop in the Depot House of Pizza, 53 Essex St., in Andover, for one of their piping hot delicacies: delicious pizzas, spaghetti, grinders and salads.

Relax in their air conditioned and comfortable restaurant or take your meal on the road for easy dinners, party meals, a quick lunch or summertime picnic. For delicious and economical meals, the Depot can't be beat. And, the Depot is open every day from 11 a.m. to 11 p.m.

If you're in a real rush, you can call your order in first and your food will be ready to go when you arrive to pick it up.

Pizzas at the Depot come in two sizes: a regular pizza mea-

sures 9 inches and a family-size measures 16 inches. And, almost every topping you can imagine is available: Mushrooms, salami, pepperoni, sausage, hamburger, meatball, cheese, ham, anchovy, onion, and pepper, just to name a few. You can have more than one topping or just order their fabulous Special pizza (all the toppings already mentioned above).

The Depot's wide variety of grinders include pepper steak, mushroom steak, cheese steak, sausage, meatball, hot pastrami, Italian, American cheese, ham, Genoa salami, roast beef, tuna salad, bacon lettuce tomato, veal cutlet and, of course, their own unique Special, a scrumptious combination of roast beef, turkey, bacon and vegetables.

When you add optional toppings such as lettuce, tomatoes, cheese, pickles and more, you can't only have a meal in itself.

Along with these fresh and delicious items made right there on the premises, there's also spaghetti with sauce, meatballs or sausage.

With two other shops in Westford and Chelmsford, the Depot has a lot of experience in anticipating their customers' tastes. They know you want only the best in your pizzas and subs so they use only tried and true recipes with their own special blend of sauce and spices.

Located across from the railroad depot in Andover, Tel. 475-0055.

Funds Raised To Aid Cerebral Palsy

Merrimack Valley Distributors of Danvers have raised \$5,000 for the United Cerebral Palsy Association of the North Shore, Inc. as a result of their participation in the Miller Lite Beer consumer promotion last February. For every case of Miller Lite Beer purchased on the North Shore, Merrimack Valley and the Miller Brewing Co. donated five cents to United Cerebral Palsy.

"Consumer response was tremendous," said Jack Tatelman, sales manager for Merrimack Valley Distribution Co. "Miller Brewing Company has exceeded their initial commitment by \$61,000 and the donations are still coming in."

The United Cerebral Palsy Association of the North Shore, Inc. supports the infant developmental program which provides therapeutic and support service for infants, birth to three years of age who have mental and physical developmental delays. The agency operates the 766-approved Developmental School of the North Shore which is a preschool for multi-physically disabled children ages three to seven years. It also has an adult services program providing habilitation, social and recreational programs for the physically disabled adult aged 18 and over. Other agency programs include clinic therapies, counseling for the disabled and their families and social services.

Road Race Scheduled

The Rolling Green Fitness Center of Andover will hold their 2nd annual Friday Nite Sundowner road race July 27 at 7 p.m. at the Sheraton Rolling Green, Routes 193 and 133, Andover.

All net proceeds will benefit Vision House, an organization that was formed to help the traumatically brain injured and their families better cope with the after-effects of head injury.

Vision House is the first Merrimack Valley endeavor to address these needs. Sponsors include Coca-Cola, New Balance, United Liquors-Bud Lite and Athletic Attic. The first 125 entries will receive t-shirts.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of a power of sale contained in a certain mortgage deed given by **LAWRENCE R. FIELDS to HOME OWNERS FEDERAL SAVINGS AND LOAN ASSOCIATION**, a United States corporation, doing business in Boston, Suffolk County, Massachusetts, dated December 30, 1982 and recorded with Essex County (Northern District) Registry of Deeds in Book 1635, Page 390, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at public auction, on the premises, on **THURSDAY, the 16th day of AUGUST, 1984, at 9:00 o'clock in the forenoon**, all and singular the premises conveyed by said mortgage deed, sale to be held on the premises at Unit 003, 16 Balmoral Street, Andover, Massachusetts, namely: Condominium Unit No. 003 (the Unit) in the Condominium known as Balmoral Condominium (the Condominium), situate at 16 Balmoral Street, Andover, Massachusetts, created by a Master Deed (the Master Deed) dated July 17, 1982, recorded with the Essex (North District) Registry of Deeds in Book 1519, Page 13, as amended.

The Unit is more particularly described (1) in the master deed (2) such site and floor plans as have been recorded or filed therewith, (3) in the first Unit Deed thereof and (4) copies of portions of such site and floor plans filed therewith. The Unit is conveyed together with an undivided .883% interest in the common areas and facilities of the Condominium and the same .883% interest in the Organization of Unit Owners known as Balmoral Condominium Trust (the Unit Owners Organization). The Unit and said undivided interests are together hereinafter referred to as the Mortgaged Premises.

The Mortgaged Premises are conveyed subject to and together with the benefit of (1) the provisions of Chapter 183A of the General Laws (Ter.Ed.) of the Commonwealth of Massachusetts, (2) the provisions and matters set forth and/or referred to in the Master Deed, (3) the provisions of the instrument creating the Unit Owners Organization and the By-Laws thereunder as recorded or filed with the Master Deed and such Rules and Regulations as may be promulgated thereunder, (4) the provisions set forth and referred to in the Unit Deed of **Malcolm MacPhail**, Trustee of Black River Realty Trust to Mortgagor duly recorded with said Essex (North District) Deeds, to which Unit Deed reference is herein made for the title of Mortgagor, and (5) all of the following matters: Terms and provisions of an agreement by and between Textile Realty Company and American Woolen Company dated December 20, 1935 recorded with said Deeds in Book 595, Page 584; reservation of rights in a deed dated December 27, 1945, and recorded in Book 680, Page 307; Order of Conditions imposed by Andover Conservation Commission recorded with said Deeds in Book 1338, Page 378, as affected by a Certificate of Compliance dated September 26, 1979 and recorded with said Deeds in Book 1397, Page 245; Notice of Variance dated June 13, 1977 and recorded with said Deeds in Book 1338, Page 383; and Notice of Variance dated February 16, 1978 and recorded with said Deeds in Book 1338, Page 391.

Said Unit is also conveyed together with the exclusive right to use Parking Space No. 88 as shown on the Condominium Plan, which exclusive right is appurtenant to said Unit, subject to the provisions set forth in Section 6 of the Master Deed.

Said Premises will be sold subject to any and all unpaid taxes, tax titles, assessments and municipal liens, so far as the same may legally exist. Title must pass in or within twenty (20) days from the date of the foreclosure sale hereunder.

FIVE THOUSAND DOLLARS (\$5,000.00) will be required to be paid by bank or by certified check at the time and place of sale, when the other terms of sale will be made known.

Pets

Pet owners making vacation plans can obtain three helpful publications to assist them in obtaining proper care for the family pet, advises the Gaines Dog Care Center.

If the family wants to take a pet along on a motor trip, but isn't sure about accommodations, the all new 1983-84 edition of "Touring With Towser" should also go along in the glove compartment.

The booklet can be obtained by sending a check for \$1.00 to American Boarding Kennels Association, 311 N. Union, Colorado Springs, CO 80909.

The first United States coast to coast airplane flight was completed in 1911. It took 49 days (with stops).

QUESTION VERY LOW PRICE

You are excited because you have the chance to buy a lot for half the price of the other lots in the same area. Before you jump, you should find out why the big difference in price.

Has a percolation test been done on the soil to determine the capability of the soil to absorb liquid for either a building or a septic system? This test is a must for any land purchase where building is anticipated. If there are problems are they correctable and at what cost?

Is the property properly zoned for your intended use? You may not be able to build a home in a commercial area. You should also check the total square

feet and frontage that the lot needs.

Is the lot improved or unimproved? An improved lot has ready access to utilities such as telephone, electric and gas. If the lot is unimproved, how much will it cost to bring the utilities to the property? Every property has a fair market value. If it's far below that figure, take a closer look and find out why.

If there is anything we can do to help you in the field of real estate, please phone or drop in at **THE HOWE AGENCY, 5 PUNCHARD AVE., ANDOVER.** Phone: 475-5100. We're here to help.

SELLING YOUR HOUSE

By Lou Patracone

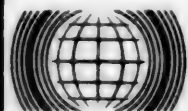

DISCRETIONARY BUYING

If you're new to homeownership and real estate, you may never have heard the term "discretionary buying." For many years it didn't exist. Housing was so tight and mortgage money so high that people stayed put. If they had someplace to live, they didn't move. (Of course, those who picked up and followed a job across the country were exceptions.)

Now we're hearing about discretionary buying again - because people are beginning to move when they simply want to, or because they can now afford a bigger, better, more attractive home. More lending money available at better rates has, to some extent, made this possible.

If you've considered moving up - or if you just want to sell and try a different location or a different lifestyle - this is a good time to put your property on the market. There are plenty of willing buyers out there with money or with qualifying incomes.

To get a handle on your equity, let a professional market your property. An experienced real estate broker is in a position to market your home most effectively, negotiate for you, and help you end up with the best return. List with —

THURSDAY

The ANDOVER TOWNSMAN

Police Officers Commended

Four Andover police officers were commended by town officials for their work at the scene of an attempted suicide on Tuesday, June 24.

Sgt. Phillip Froburg, a 14-year department veteran, officers Ronald Hagerly, on the force for 16 years, 12-year veteran David St. Jean, and Lt. Robert Parker, a police officer since 1964, spent two and a half hours talking an Andover man out of shooting himself. The man was holed up in an upstairs bathroom, according to a written report Police Chief James F. Johnson gave the Board of Selectmen who agreed unanimously on Monday evening to place letters of commendation in each of the officers' permanent files.

Parker talked with the man by telephone, talking him out of the house. The man's wife called police when her husband locked himself in the bathroom saying he was going to kill himself.

"I feel these officers demonstrated a high professional approach to this situation and certainly acted in the highest tradition of the Andover Police Department," James wrote to the selectmen. "The amount of time involved causes an enormous amount of stress and all involved were operating at peak efficiency, thus causing both mental and physical strain."
